This picture word ebook of 1000 first science words is the perfect STEM ebook for helping children learn. It introduces key scientific concepts while broadening children's vocabulary and strengthening their early reading and writing skills. Every picture-packed page is full of things such as sounds, light, senses, and machines, with words for each image. 1000 Words: STEM clearly labels each picture, which encourages picture-and-word association and helps early reading. Each topic features questions that ask children to find things on the page or that stimulate thinking, talking, and early science skills. The words have been chosen with the help of a leading educational consultant, and include lots of useful nouns, plus some interesting adjectives, and common verbs. This fun and educational picture word ebook is a must-have first reference title for parents who are keen to develop their child's language, science, and literacy skills.

An innovative, five-level beginner's course for young learners from the age of 10.
