With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955–and today remains one of the most unforgettable characters in contemporary fiction. Wildly successful when it was first published in 1955, Patrick Dennis ' Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind Russell. Since then, Mame has taken her rightful place in the pantheon of Great and Important People as the world ' s most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delicious a read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place. "Outrageous, hilarious, ribald, sophisticated, slapsatiric." The Denver Post

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a " compulsively readable parable for the 21st century " (Vanity Fair). When Mae Holland is hired to work for the Circle, the world ' s most powerful internet company, she feels she ' s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users ' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company ' s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can ' t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman ' s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

From the authors of the New York Times bestselling parody The Hunger Pains, this fresh take on J.R.R. Tolkien ' s The Hobbit is a hilarious send-up of Middle-earth, publishing just in time for the major motion picture release of The Hobbit: The Desolation of Smaug. The sequel to the parody of the sequel to the prequel to The Lord of the Rings When Aaron Sorkinshield and his band of Little People embark on a totally feasible quest to reclaim the hoard of Academy Awards stolen from them by the lonely Puff the Magic Dragon, senile wizard Dumbledalf suggests an unlikely and completely unqualified accomplice: Billy Bagboy, an unassuming wobbit dwelling in terrorist-riddled Wobbottabad. Along the way, the company faces Internet trolls, moblins, one really big spider that must be at least an inch and a half wide, and worse. But as they journey from the wonders of Livinwell to the terrors of Jerkwood and beyond, Billy will find that there is more to him than anyone—Tolkien included—ever dreamed. Propelled to his destiny by a series of courageous adventures and indented paragraphs, Billy will set out on the greatest YOLO of all time . . . one that leads deep into the dark caverns hiding a mysterious man named Goldstein, who ' s just trying to have a nice seder.

An irresistible story of first love, broken hearts, and the golden seams that put them back together again--soon to be an Amazon original film starring Lili Reinhart (Riverdale) and Austin Abrams (Paper Towns). Henry Page has never been in love. He fancies himself a hopeless romantic, but the love that he's been expecting just hasn't been in the cards for him--at least not yet. Instead, he's been happy to focus on finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change. Grace isn't who Henry pictured as his dream girl--she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. Yet when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, and Henry wants nothing more than to help her put the pieces back together again. But as Henry learns, what you want may not have anything to do with what you get.

Winner of the Governor General's Award for Fiction, the Rogers Writers' Trust Fiction Prize, the Prix des libraires du Quebec and the Stephen Leacock Medal. Shortlisted for the Man Booker Prize, the Scotiabank Giller Prize, and the Walter Scott Prize. Hermann Kermit Warm is going to die: Eli and Charlie Sisters can be counted on for that. Though Eli has never shared his brother ' s penchant for whiskey and killing, he ' s never known anything else. On the road to Warm ' s gold-mining claim outside San Francisco — and from the back of his long-suffering one-eyed horse — Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick DeWitt, acclaimed author of Ablutions, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable narrative voice that captures all the absurdity, melancholy, and grit of the West — and of these two brothers, bound to each other by blood and scars and love.
