One of the leading casebooks in the field, The Law of Debtors and Creditors features 39 problem sets with realistic questions a lawyer considers in managing a bankruptcy case. It also challenges the students with the major policy and theoretical questions in the field. The text features a functional organization as a bankruptcy case would unfold. The focus is on teaching through the realistic problems, complete with ethical difficulties embedded into the fact patterns. The presentation is lively and colloquial. Explanatory text throughout makes bankruptcy law accessible to students and easier to teach. Because it divides the subject between consumer and business bankruptcy, professors can select the depth of coverage for each subject in designing a two-, three-, or four-credit class. The authors—Senator Elizabeth Warren, Congresswoman Katie Porter, and Professors Pottow (Michigan) and Westbrook (Texas)—are among the most prominent in the field. Uniquely comprehensive Teacher’s Manual—chock full of material on how to design class around the problem sets, citations to new cases and literature, and suggestions for steering class discussion. New to the Eighth Edition: The emergence of a whole new form of chapter 11 bankruptcy, the Small Business Reorganization Act in subchapter V, just as the Covid19 crisis exploded The impact of recent Supreme Court decisions, including Jevic, Merit Management, Midland Funding, and Wellness New cases and issues since the Seventh Edition Updated materials on § 363 sales Incorporation of discussion of ABI Commission on Consumer Bankruptcy Reform A number of interesting new problems Professors and students will benefit from: Separation of consumer bankruptcy from business bankruptcy—professors can select the depth of coverage for each subject Lively explanatory text—makes bankruptcy law accessible to students and easier to teach Engagement of current events and economic trends Discussion of many recent cases 39 problem sets—featuring the realistic questions a lawyer considers in applying the statutory provisions in a bankruptcy case Substantial discussion of the ethical questions that arise in bankruptcy practice, and including ethical issues in the problems students must solve Functional organization—as a bankruptcy case would unfold rather than using some artificial paradigm Chapters specifically devoted to bankruptcy theory (consumer and business), to international insolvencies, and to important ethics issue in the consumer and business contexts Problem sets designed to combine doctrinal, transactional, and theoretical issues

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes—portability, meaningful feedback, and greater efficiency. Regulation of Lawyers: Problems of Law and Ethics, 12th edition goes beyond the rules in teaching students the subtle differences between proper and improper conduct. Writing in his direct and lively style, Stephen Gillers explores the subtleties and nuances of the legal and ethical rules governing lawyers and judges. From great teaching cases, timely materials, and realistic problems, students come away with new insight, equipped to detect and avoid improper conduct over the course of their professional careers. Refined through years of classroom use, this casebook also offers comprehensive coverage, a balanced mix of materials, discussion beyond the rules and from different perspectives, detailed notes, and an accessible and engaging style. New to the Twelfth Edition: McCoy v. Louisiana on allocation of decisionmaking authority between lawyer and client (U.S. Supreme Court 2018). Material on the criticism of Prof. Ronald S. Sullivan, Jr. for joining the Harvey Weinstein defense. Discussion of the debate over Rule 8.4(g), which forbids bias and harassment in law practice. Three problems test its application and First Amendment limits. 17 new problems and revision of many old ones. Enhanced material on judicial disqualification and bias in the courts. Enhanced material on challenges to the bar’s monopoly on the sale of for-profit legal services. Swinomish Indian Tribal Community v. BNSF Ry. Co., where the Ninth Circuit asked prominent law firms to defend discrepancies in their characterization of the record. Professors and students will benefit from: High-profile author—Professor Gillers is a highly visible and recognized national authority on professional responsibility Comprehensive coverage that includes the full range of professional responsibility issues Well-balanced mix of cases, secondary sources, and timely materials, often drawn from recent headlines, and which supports its comprehensive coverage of professional responsibility issues Realistic, helpful, and abundant problems, many of which are based on actual events, and which facilitate class discussion and enable students to understand the rules and regulations that will govern their professional behavior Discussion beyond the rules and from different perspectives to recognize that the law is not necessarily self-evident and covers many subtleties Excellent case selection Manageable length Detailed and challenging notes that provide in-depth treatment of the issues Accessible and engaging style characterized by variety, clarity, and humor CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time.
