D&D Essentials, also known as D&D 4.5, was a marketing ploy/systems update that came into being during the final few years of 4th edition's life. Officially released as an attempt to make a more "newbie friendly" version of 4e, and/or to appeal to players more comfortable with older editions of D&D, the system failed to do either and is widely considered amongst 4e's fanbase to have basically ...
