Litvin's stark, candid memoir focuses on his more than two years of service in the Red Army during its war with Germany. Originally written in 1962 and recently revised through extended interviews between author and translator, the result is a gripping account--in a straightforward, matter-of-fact tone--of the trials and tribulations of being a common Soviet soldier on the Eastern Front during World War II.

Peter Mezheritsky makes his findings in history through thoughtful reading and the comparison of historical sources. This book, a unique blend of prosaic literature and shrewd historic analysis, is dedicated to events in Soviet history in light of Marshal Zhukov's memoirs.

When Penelope Gordon was headhunted to go and work in Doha, Qatar, her sole experience of the Middle East had been a brief luxury break in Dubai. Her husband Lionel, a much-travelled naval officer, was more blasé about the move, but neither was quite prepared for the experience that followed. Penelope left her NHS job at Queen Alexandra Hospital in Portsmouth to head up medical leadership and education in a state-of-the-art set of hospitals in Qatar - a country, she discovered, where there were no maps, where everyone drove their cars rather like they'd drive camels (fast and wildly), where many of her female staff were completely swathed in black with only their eyes visible, and where no-one expected to have to do something when there was a servant to do it for them, even if it was only pressing the 'start' button on the coffee machine. In this captivating and amusing memoir, Penelope shows how she managed to find the humour in dealing with a culture that was often baffling and opaque - and how she not only survived 800 days in Doha, but turned it into an adventure.

This is the first comprehensive study in English of Soviet women who fought against the genocidal, misogynist, Nazi enemy on the Eastern Front during the Second World War. Drawing on a vast array of original archival, memoir, and published sources, this book captures the everyday experiences of Soviet women fighting, living and dying on the front.

FROM THE AUTHOR OF THE NEW YORK TIMES BESTSELLER THE LAST THING HE TOLD ME Heralded as “impossible to put down” (Elle), and named a Best Book of the Summer by Glamour, Good Housekeeping, Cosmopolitan, Elle, Marie Claire, and Us Weekly, *Eight Hundred Grapes* is a heartbreaking, funny, and deeply evocative novel about love, marriage, family, wine, and the treacherous terrain in which they all intersect. There are secrets you share, and secrets you hide... What if your beloved fiancé, he of the crinkly smile and irresistible British accent, had kept a life-changing secret from you? And what if, just a week before your dream wedding, you discovered it? Georgia Ford, bride-to-be, hops in her car and drives through the night, from Los Angeles to Sonoma, to her safe haven: her family, and the acclaimed family winery. Georgia craves the company of those who know her best, and whom she truly knows. Better yet, it's the eve of the last harvest—the best time of the growing season, and Georgia knows she'll find solace—and distraction—in the familiar rituals. But when Georgia arrives home, nothing is at all familiar. Her parents, her brothers, the family business, are all unrecognizable. It seems her fiancé isn't the only one who's been keeping secrets... *Eight Hundred Grapes* is a story about the messy realities of family, the strength (and weaknesses) of romantic love, and the importance of finding a place to call home. “This winning tale will both satisfy on a literary level and encourage oenophiles to pour themselves a glass of a recent vintage to enjoy while reading; it's a tasty treat for wine lovers and teetotalers alike” (Publishers Weekly). You won't be able to put this “addictive” (Us Weekly) novel down.
