The authoritative naval historian Bernard Ireland takes a fresh and fascinating look at the long and bitter struggle waged by the Allies against the Nazi U-boat threat. After sifting through the evidence, old and new, he questions the popular theory that it was a 'damn close-run thing'. He cites the massive resources that the United States brought to bear both at sea and in their shipyards, together with advances in technology and

“ The historian, ” wrote E. L. Doctorow, “ will tell you what happened. The novelist will tell you what it felt like. ” This book sees Peter Hennessy and Robert Shepard combine both approaches with the art of the interviewer, a craft at once sensitive and probing. Reflections collects transcripts of the best interviews from the BBC Radio 4 series Reflections with Peter Hennessy, a show on which the British political elite have spoken candidly about their careers and the moments that came to define their political lives. Supplementing the interviews are short biographies and profiles of the interviewees, allowing readers a fuller picture of each speaker ’ s background and professional trajectory. This revealing book includes conversations with political heavyweights

History making a stop in the Irish countryside. After a two-hour kaleidoscope of low comedy, juggling, tumbling, and other entertainments, Ben ' s father, mesmerized by Venetia Kelly, the troupe ' s magnetic headliner, makes a fateful decision: to abandon his family and set off on the road with Miss Kelly and her caravan. Ben ' s mother, shattered by the desertion, exhorts, " Find him and bring him back, " thereby sending the boy on a Homeric voyage into manhood. Interweaving a host of unforgettable creations— " King " Kelly, Venetia ' s violent, Mephistophelean grandfather; Sarah Kelly, Venetia ' s mysterious, amoral mother; and even a truth-telling ventriloquist ' s dummy named Blarney—Frank Delaney unfurls a splendid narrative that spans half the world and a tumultuous decade.

approach to the history of the Jacobite Rising by telling fascinating stories of the many women caught up in the turbulent events of 1745-46. Many historians have ignored female participation in the '45: this book aims to redress the balance. Drawn from many original documents and letters, the stories that emerge of the women - and their men - are often touching, occasionally light-hearted and always engrossing.

Ike is acclaimed author Michael Korda's sweeping and enthralling biography of Dwight David Eisenhower, arguably America's greatest general and one of her best presidents—a remarkable man in an extraordinary time, the hero who won the war and thereafter kept the peace.
