The landmark exploration of economic prosperity and how the world can escape from extreme poverty for the world's poorest citizens, from one of the world's most renowned economists Hailed by Time as one of the world's hundred most influential people, Jeffrey D. Sachs is renowned for his work around the globe advising economies in crisis. Now a classic of its genre, The End of Poverty distills more than thirty years of experience to offer a uniquely informed vision of the steps that can transform impoverished countries into prosperous ones. Marrying vivid storytelling with rigorous analysis, Sachs lays out a clear conceptual map of the world economy. Explaining his own work in Bolivia, Russia, India, China, and Africa, he offers an integrated set of solutions to the interwoven economic, political, environmental, and social problems that challenge the world's poorest countries. Ten years after its initial publication, The End of Poverty remains an indispensable and influential work. In this 10th anniversary edition, Sachs presents an extensive new foreword assessing the progress of the past decade, the work that remains to be done, and how each of us can help. He also looks ahead across the next fifteen years to 2030, the United Nations' target date for ending extreme poverty, offering new insights and recommendations.

From Art Deco to Beaux-Arts, Spanish Colonial to Mission Revival, Winter discusses an impressive variety of architectural styles in this popular guide that he co-authored with the late David Gebhard. New buildings and sites have been added, along with all new photography. Considered the most thorough L.A. architecture guide ever written, this new edition features the best of the past and present, from Charles and Henry Greene's Gamble House to Frank Gehry's Disney Philharmonic Hall. This was, and is again, a must-have guide to a diverse and architecturally rich area.

Many companies now recognize that learning through training, development, and knowledge management helps employees strengthen or increase their skills in order to improve or make new products, generate new and innovative ideas, and provide high-quality customer service. Thus, an emphasis on learning through training, development, and knowledge management is no longer in the category of "nice to do"—they are a "must do" if companies want to gain a competitive advantage and meet employees' expectations. Based on the author's extensive experience in teaching training and development courses to both graduate and undergraduate students, Employee Training and Development, Seventh Edition, retains the lively writing style, inspiring examples, and emphasis on new technology and strategic training from previous editions.

Updated as of January 1, 2018, this guide includes relevant guidance contained in applicable standards and other technical sources. It explains the relationship between a service organization and its user entities, provides examples of service organizations, describes the description criteria to be used to prepare the description of the service organization's system, identifies the trust services criteria as the criteria to be used to evaluate the design and operating effectiveness of controls, explains the difference between a type 1 and type 2 SOC 2 report, and provides illustrative reports for CPAs engaged to examine and report on system and organization controls at a service organization. It also describes the matters to be considered and procedures to be performed by the service auditor in planning, performing, and reporting on SOC 2 and SOC 3 engagements. New to this edition are: Updated for SSAE No. 18 (clarified attestation standards), this guide has been fully conformed to reflect lessons learned in practice Contains insight from expert authors on the SOC 2 working group composed of CPAs who perform SOC 2 and SOC 3 engagements includes illustrative report paragraphs describing the matter that gave rise to the report modification for a large variety of situations Includes a new appendix for performing and reporting on a SOC 2 examination in accordance with International Standards on Assurance Engagements (ISAEs) or in accordance with both the AICPA's attestation standards and the ISAEs
