Alaska Wild Berry Guide And Cookbook

Avoid all white berries in Alaska—they're all poisonous. And the most infamous poisonous berry in Alaska is the baneberry, which has white or red berries—look for a black spot on the red berry. The bright side: because they taste so bitter, people often spit out baneberries before swallowing, mitigating their potentially deadly effects (they can cause cardiac arrest.)

"A field guide & cookbook... It's a unique combination, and the perfect way to bring back all the facts about nearly 50 berries indigenous to Alaska. Whether you are the family backpacker, berry-picker or chef, here's one book as complete and as simple as the title says. Where to find the berries, what they are, how to recognize them, the best recipes for cooking them - and advice on how to recognize and avoid those that are poisonous. Here's a book that has it all, from currants to watermelon berries, from milkshakes to mincemeat! -- from back cover.

Whether you are the family berry picker, grocery store shopper or cook, here are the best time-tested recipes for cooking with the more abundant and popular species of wild berries indigenous to Alaska. It's all here, from currants to watermelon berries, from milkshakes to mincemeat. Included are recipes for breads, salads, main courses, desserts, preserves, candies, syrups, trail food, and even some beverages like juices, milkshakes, and punches. Many of the recipes are in the dessert category, but you will be surprised aw many other ways there are to use wild berries. Lowbush cranberries are particularly good in certain meat dishes, and are useful as a marinade for meat. Wild berries are fine for jam and jelly making, not to mention drying and freezing. Cultivated species may be substituted for wild berries in these recipes, but one must remember that they are often less tart than their wild relatives and adjustments in sugar added may be necessary.

## Where To Download Alaska Wild Berry Guide And Cookbook

With nearly 50 species of berries that grow wild in Alaska, this collection takes the more abundant and popular species and shares 200 tried-and-true berry recipes that have been Alaskan favorites for decades. In this newly updated edition of *The Alaska Wild Berry Cookbook*, brightened with a fresh design and re-edited and modernized with an all-new foreword and glossary, you'll find a range of berry recipes that go far beyond the usual limited sampling. Mouth-watering recipes include classic desserts, such as blueberry-lemon pie and strawberry mousse, to more unique ones, such as salmonberry cake, but there are also sections for berry-made breads, salads, meat dishes and marinades, preserves, candies, mincemeats, and even beverages. Also included are easy substitutions for berry lovers everywhere, foragers and grocery store shoppers alike, to customize and enjoy the dishes wherever they may live. From lowbush cranberry marmalade to raspberry cake to crowberry syrup, this classic berry cookbook covers it all.

“Doug Deur invites us to discover the taste and history of the Northwest.” —Spencer B. A classic collection of over 1,400 Alaskan recipes to delight those who love the North's traditional fare.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his

## Where To Download Alaska Wild Berry Guide And Cookbook

possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
