Broken at Love (Whitman University #1) had MANY similarities to the movie Cruel Intentions. So, it worked for me, since that's one of my all-time favorite guilty pleasures. The book began with a show of sorts, revealing the depraved Sebastian Rowland's evil game, starring his half-brother Quinn.

~~Be My Downfall Whitman University 3 Lyla Payne~~

Unwilling to give up on her, Toby ' s dragged under by this broken girl and her dark, twisted Whitman University he never guessed existed. If he struggles to the surface, he ' ll abandon someone he loves

Sam Bradford has it all—he ' s the #2 tennis player in the world, plenty of girls want to date him, and he ' ll never want for money. At least, that ' s what he thought until his accountant stole everything and disappeared. Interpol has no idea where to start, and neither does the American F.B.I., so Sam figures he ' ll just have to take care of his body and play a few extra years to make it back. When Blair Paddington, the accountant ' s daughter and a friend of a friend at Whitman, shows up and claims she can help Sam get his money back he ' s torn between wanting justice and the very real possibility that Blair is just as big a con man as her father. When she promises not only money, but justice, Sam agrees—but only if he can go along on the search. The two of them set off on an adventure neither rich kid is prepared for—cheap hostels, the same clothes three days in a row, and nothing but a backpack of possessions—so they can fly under the radar as college lovers on a winter break. In spite of Blair ' s shady family, her daring and resourceful personality strike Sam ' s interest and he finds himself falling for the one girl he shouldn ' t. When they finally find her father, the truths that come to light not only make Sam question his affection for Blair, but could cost him more than money—if they can ' t work together one last time, neither of them may be going home. Ever.

When a knee injury ends twenty-year-old Quinn Rowland ' s pro tennis career, he ' s not only dumped by his hot Russian girlfriend but ordered to attend college by his disinterested billionaire father. A rich kid who ' s not used to being disappointed by life, Quinn and his sociopathic half-brother Sebastian create a frat house game intended to treat girls how they see them—as simple game pieces to be manipulated for their pleasure. College sophomore Emilie Swanson knows Quinn ' s reputation—after all, he did send one of her sorority sisters into therapy earlier in the semester—but the game and his charm bring them closer together and soon she starts to believe there ' s more to Quinn than people think. But what if the more is something darker than a game of toying with emotions and breaking hearts? Quinn and Emilie might be falling for each other, but there are secrets he ' s not ready to tell—and lifestyle changes he ' s reluctant to make. She willingly stepped on the court, but if Emilie finds out she started out as nothing as a pawn in Quinn and Sebastian ' s twisted game, she might never forgive him. To his surprise, Quinn finds that he might finally care about someone more than he cares about himself...even if that means letting Emilie walk away for good.

An unfortunate and embarrassing incident that precipitated Audra Stuart ' s breakup last winter sent her scurrying for cover, unwilling to show her face again at Whitman University. When her roommate Blair Paddington tracks her down and learns what happened, she convinces Audra that letting her jackass ex win is not the answer...but that maybe going to Sebastian Blair for help just might be. Sebastian has established a reputation of being the guy without scruples—the one who can get you what you want, no questions asked. For a price. His price for Audra Stuart? Pretend to be his girlfriend so he can legitimize himself and maybe snag a job from one of his " friends " before graduation. To get her friends (and his) to buy the ruse the two of them have to get in deep—so deep that they forget they ' re supposed to be pretending. Sebastian Blair is about to fall hard, but he can ' t help but worry. Because the girl he loves is bound to learn he was behind the incident that sent her tumbling his direction

in the first place.

Graciela Harper thought that getting rid of Anne Bonny's ghost would be the first step toward putting all of the problems of her past behind her. Maybe things would work out with Beauregard Drayton, Heron Creek's charming mayor. Maybe she and her cousin Amelia, and their childhood friends Melanie and Will, could find a way back to the comfortable friendship that defined their lives. But when the ghost of Glinda Davis, the town's longtime, quirky hairdresser, puts a stop to Gracie and Beau's relationship consummation, Graciela knows her life has changed for good. The insistent ghost drags Graciela into a world she's only seen on reality television shows—one filled with moonshiners and backwoods politics that are solved by burying bodies, not friendly conversations. Graciela needs to figure out exactly what Glinda's spirit requires so she'll get the heck out of dodge, but the further she digs into the woman's past, the more dangers seep into the present. As Graciela gets closer to the answers she seeks, she starts to wonder if she's going to solve a murder in the process—or die trying.

For the living, the dead, and the people stuck somewhere in between, Heron Creek has become a battleground. Graciela Harper might be new seeing ghosts, fighting curses, and just living with her old friends again, but there's no doubt she's on the front lines—and overwhelmed. Leo and Mel have been arrested. Amelia teeters on the edge of a deep depression that could cost her her child. Beau, her boyfriend who might not quite be her boyfriend anymore, is breaking her heart. None of that will matter if Gracie can't figure out how to break the hundreds year old curse on the male line of her family. She knows she needs to focus on that, but with the future of one of South Carolina's oldest and most prestigious families hanging in the balance, she's tempted to try to save them, too. What Gracie's about to learn is that she can't do this alone, and every single person who has entered her life since her return to Heron Creek will need to pitch in for her to succeed. Well, that and the fact that she might not be able to save everyone...not even herself.

This in-between (short) novella follows *The Playboy Prince*. It will detail a royal wedding and preview what is to come with the Piacere family in the follow up, *The Dutiful Prince* (January 2017).

Life in Heron Creek is looking up for Graciela Harper, despite the fact that every ghost within a fifty mile radius seems intent on sticking to her like glue - and not the weak Elmer's kind, either. But with a sexy boyfriend, her old friends back in her life, and a great job prospect at one of the oldest plantations in the country it's hard to complain...even if her new boss is said boyfriend's mother. Things don't stay uncomplicated for long as not one ghost, but two show up at Drayton Hall. One wants closure, which Gracie thinks she can handle, but the other seems to know more than she should about the centuries old voodoo curse on Gracie's own family. As she digs deeper into the past of not only the plantation grounds, but Beau's family tree, surprising secrets claw their way to the surface. With Mrs. Drayton breathing down her neck, a shift in her abilities, Amelia's custody case taking a turn for the worse, and the sudden appearance of her decidedly not dead father, Gracie has her hands full. She might be able to tackle all of those things with the help of a friend or two—some breathing, some not—but there's one crossroads Gracie doesn't see coming. It's the choice between family and romance, and she's not the only one being forced to make it.

This boxed set contains the first three books and novella in USA Today Bestselling Author Lyla Payne's Lowcountry Mysteries. When Graciela Harper returns to the small town of Heron Creek, SC, she's looking for a place to hide, drink, and lick old wounds. Instead, she stumbles across old friends, estranged family, a handsome mayor, and the occasional insistent ghost. **NOT QUITE DEAD:** When the ghost of swashbuckler Anne Bonny decides that pestering Gracie is how she wants to spend her undead time, Graciela is forced out of a lingering depression. In the real world, she navigates old friendships, cares for her ailing grandfather, and tries her best to shake Mayor Beau's advances - but when reality crashes into the ghostly past, it presents complications that affect not only Graciela, but her family, too. **NOT QUITE COLD:** If Gracie thought Anne Bonny was the first and last of her ghosts, she was sorely mistaken. The recently dead spirit of Glinda Davis, the town's longtime hairdresser, insists that she was murdered...and she needs Gracie to find out why. The search leads her into moonshining territory, threatens to upset her still-new relationship with Beau, and Gracie thinks she's in over her head. **NOT QUITE TRUE:** With her boyfriend Beau in legal trouble, Gracie can't sit by and do nothing. She starts an investigation of her own, which is interrupted by a famous Charleston ghost who wants her help to get closure of his own. That, combined with her cousin Amelia's own mental and legal issues, means Gracie's hands are all the way full—even when they're not tied behind her back. **QUITE CURIOUS:** The other residents of Heron Creek tell their sides of the story, and illuminate some lingering questions from the first three books.

****This is an "in-between" novella and not a full length novel**** Graciela is hoping that, despite the reappearance of her father—who's supposed to be dead—her life in Heron Creek might be about the calm down. Her boyfriend's mother has other ideas, ones that include getting to know her son's new squeeze. The proposition makes Beau nervous for more than one reason, a couple of which would be news to Gracie. Amelia's therapy appears to be going well, so that's working in Gracie's favor, but with trouble brewing in Will and Mel's marriage, the moonshiners getting more involved in Heron Creek affairs instead of less, and Leo's sister Lindsay returning from her stint in the state pen, settled isn't the best word to describe life in the small town. Gracie is starting to think that maybe seeing ghosts is the least complicated thing about her...and she's probably right. Includes POVs from Beau, Will, Leo, Amelia, and Clete.
