#1 New York Times bestselling author Ilona Andrews launches a brand-new Hidden Legacy series, in which one woman must place her trust in a seductive, dangerous man who sets off an even more dangerous desire . . . Nevada Baylor is faced with the most challenging case of her detective career—a suicide mission to bring in a suspect in a volatile situation. Nevada isn't sure she has the chops. Her quarry is a Prime, the highest rank of magic user, who can set anyone and anything on fire. Then she's kidnapped by Connor "Mad" Rogan—a darkly tempting billionaire with equally devastating powers. Torn between wanting to run and wanting to surrender to their overwhelming attraction, Nevada must join forces with Rogan to stay alive. Rogan's after the same target, so he needs Nevada. But she's getting under his skin, making him care about someone other than himself for a change. And, as Rogan has learned, love can be as perilous as death, especially in the magic world.

Journalist Eve Bradley falls into a dangerous passion for Cain O'Connor, who just may be a human embodiment of the Devil. Original.

Then the wedding planner gets escorted off the premises, the bride's priceless tiara disappears, and Rogan's extensive family overruns his mother's home. Someone is cheating, someone is lying, and someone is plotting murder. To make this wedding happen, Catalina will have to do the thing she fears most: use her magic. But she's a Baylor and there's nothing she wouldn't do for her sister's happiness. Nevada will have her fairy tale wedding, even if Catalina has to tear the mansion apart brick by brick to get it done.

Rogan is a billionaire Prime—the highest rank of magic user—and as unreadable as ever, despite Nevada's “talent.” But there's no hiding the sparks between them. From #1 New York Times bestselling author Ilona Andrews comes an enthralling new trilogy set in the Hidden Legacy world, where magic means power, and family bloodlines are the new currency of society... In a world where magic is the key to power and wealth, Catalina Baylor is a Prime, the highest rank of magic user, and the Head of her House. Catalina has always been afraid to use her unique powers, but when her friend's mother and sister are murdered, Catalina risks her reputation and safety to unravel the mystery. But behind the scenes powerful forces are at work, and one of them is Alessandro Sagredo, the Italian Prime who was once Catalina's teenage crush. To help her friend, Catalina must test the limits of her extraordinary powers, but doing so may cost her both her House—and her heart.

From Ilona Andrews, #1 New York Times bestselling author, the thrilling conclusion to her Hidden Legacy series, as Nevada and Rogan grapple with a power beyond even their imagination... Nevada Baylor can't decide which is more frustrating—harnessing her truthseeker abilities or dealing with Connor “Mad” Rogan and their evolving relationship. Yes, the billionaire Prime is helping her navigate the complex magical world in which she's become a crucial player—and sometimes a pawn—but she also has to deal with his ex-fiancée, whose husband has disappeared, and whose damsel-in-distress act is wearing very, very thin. Rogan faces his own challenges, too, as Nevada's magical rank has made her a desirable match for other Primes. Controlling his immense powers is child's play next to controlling his conflicting emotions. And now he and Nevada are confronted by a new threat within her own family. Can they face this together? Or is their world about to go up in smoke?

The nightmare that Alessandro has fought since childhood has come roaring back to life, but now Catalina is under threat.
