From the New York Times bestselling author of *There Was an Old Woman* comes a novel about a professional organizer with a deadly problem she may not be able to clean up. Emily Harlow is a professional organizer who helps people declutter their lives; she's married to man who can't drive past a yard sale without stopping. He's filled their basement, attic, and garage with his finds. Like

other professionals who make a living decluttering peoples' lives, Emily has devised a set of ironclad rules. When working with couples, she makes clear that the client is only allowed to declutter his or her own stuff. That stipulation has kept Emily's own marriage together these past few years. She'd love nothing better than to toss out all her husband's crap. He says he's a collector. Emily knows better—he's a hoarder. The larger his "collection" becomes, the deeper the distance grows between Emily and the man she married. Luckily, Emily's got two new clients to distract herself: an elderly widow whose husband left behind a storage unit she didn't know existed, and a young wife whose husband won't allow her stuff into their house. Emily's initial meeting with the young wife takes a detour when, after too much wine, the women end up fantasizing about how much more pleasant life would be

without their collecting spouses. But the next day Emily finds herself in a mess that might be too big for her to clean up. Careful what you wish for, the old adage says . . . now Emily might lose her freedom, her marriage . . . and possibly her life.

Bestselling author Jeffrey Archer's *Be Careful What You Wish For* opens with Harry Clifton and his wife Emma rushing to hospital to learn the fate of their son Sebastian, who has been involved in a fatal car accident. But who died, Sebastian or his best friend Bruno? When Ross Buchanan is forced to resign as chairman of the Barrington Shipping Company, Emma Clifton wants to replace him. But Don Pedro Martinez intends to install his puppet, the egregious Major Alex Fisher, in order to destroy the Barrington family firm just as the company plans to build its new luxury liner, the MV

Buckingham. Back in London, Harry and Emma's adopted daughter wins a scholarship to the Slade Academy of Art where she falls in love with a fellow student, Clive Bingham, who asks her to marry him. Both families are delighted until Priscilla Bingham, Jessica's future mother-in-law, has a visit from an old friend, Lady Virginia Fenwick, who drops her particular brand of poison into the wedding chalice. Then, without warning, Cedric Hardcastle, a bluff Yorkshireman who no one has come across before, takes his place on the board of Barringtons. This causes an upheaval that none of them could have anticipated, and will change the lives of every member of the Clifton and Barrington families. Hardcastle's first decision is who to support to become the next chairman of the board: Emma Clifton or Major Alex Fisher? All Angel wanted was to help poor nerdy Max break into the popular crowd. But somehow the wires got crossed and she ended up granting all of Gabi's secret desires instead. Not that Angel has anything against Gabi getting what she wants. It's just that the things Gabi dreams about—starring in a reality TV show with Angel at her side and dating Angel's boyfriend, Cole—just happen to be the stuff of Angel's worst nightmares.

'I wish I could get a seat on the tube... I hadn't eaten that entire bag of Maltesers... I could meet a man whose hobbies include washing up and monogamy...' Heather Hamilton is always wishing for things. Not just big stuff - like world peace or for a date with Brad Pitt - but little, everyday wishes, made without thinking. With her luck, she knows they'll never come true... Until one day she buys some heather from a gypsy. Suddenly the bad hair days stop; a handsome American answers her ad for a housemate; and she starts seeing James - The Perfect Man who sends her flowers, excels in the bedroom, and isn't afraid to say 'I love you'... But are these wishes-come-true a blessing or a curse? And is there such a thing as too much foreplay?

Thirteen-year-old witch Sarah Connell uses her powers to find a boyfriend for her best friend, but the same powers spell trouble when a careless remark by Sarah makes the high school disappear.

Who hasn't at some point thought about what they would do if granted a wish? But what might happen if a magical creature, like a fairy or a genie, took a wish for themselves? You will find the startling answer within these pages, at least in the case of fairies. In another dimension, around the four corner stars of the constellation Orion, live the fairies we all know and love—and many more. In the beginning, all fairies were extraordinarily beautiful creatures. Their radiance was a reflection of their innocent and generous natures. But everything started to change when the former Tooth Fairy, Maeve, was caught by a young boy named Nebiatis as she tried to

collect his tooth. Through their interactions, Maeve transforms from wish granter to leader of the Wishtakers, a rogue band of evil fairies who'll stop at nothing to gain control of fairydom. But her transformation isn't just in her lifestyle; she becomes something strikingly unlike any fairy the world has ever known. Can Suzabelle, the head of the fairy high council, right the wrongs done by Maeve and her followers and return fairydom to its former glory? Even fairies must learn the truths behind the adage: Be Careful What You Wish For.
