Why does God feel so far away? Why is my worship so empty? Has God left me? David Bowden knows these questions firsthand, having wrestled for years with God ' s apparent absence and studying what the Bible says about it. In this new book, Bowden tackles the subject head-on, finding the key to understanding it in the Bible ' s depiction of a God who is infinitely far from us, free to move where he wants, but who chooses to come near in the person of Jesus. A resource of encouragement for those who struggle with feeling God ' s absence and a wake-up call to those who take God ' s presence for granted, When God Isn ' t There will forever change your understanding of why God sometimes seems to vanish and how he can be found again. Praise for the work of David Bowden " Awesome and inspiring. " —Blake Mycoskie, Founder and Chief Shoe Giver at TOMS Shoes " David brings a fresh, engaging and highly impactful approach to Scripture. His passion for the Word is both contagious and inspirational. " —Roy Peterson, President of American Bible Society
