Communication for  
Development**

~~Communication For  
Development Theory  
And~~

~~Empowerment  
And Social  
Justice~~  
The main idea behind  
development  
communication theory  
is media for  
development of people  
in a nation or to help the  
target population.

# Acces PDF Communication

Communication seeks to serve the people without manipulation and encourage genuine response. There is no propoganda as ulterior motive of communication.

Communication is to develop

Communication for Development is all the different types of communication that need to take place in societies if sustainable democratic development is to occur. The approach to Communication for Development has evolved over the years.

# Acces PDF Communication

Initially developed after World War II as a tool for diffusion of ideas, communication initiatives primarily involved a one-way transmission of information from the sender to the receiver. This includes large-scale media campaigns, social marketing, dissemination
