The Logan is the car that might well have first introduced British buyers to the Dacia brand, especially if they've travelled to France where the first generation Logan was a big hit. We never got that car in the UK and the second generation Logan took a different tack to the original, making the Sandero in effect the hatch version. That's why the Logan MCV gets much the same engine selection ...

Detective Inspector Wallace Hammond is on the verge of retirement when he is tasked to investigate the unexplained disappearance of a man whose popular and friendly demeanour make him the least likely to have enemies. But as Hammond and his team delve deeper it becomes apparent they are hunting an unknown abductor who is motivated by hatred and a thirst for revenge. But revenge for what? The Man who Fell in a Hole is the third in a series of Detective Inspector Wallace Hammond Crime Novels.

The internationalization of the human society and mainly of the economy will continue. It will create threats but also big opportunities to most companies. This is where the book makes its contribution, putting forward suggestions for medium-sized companies to become a winner of internationalization. After a comprehensive introduction to internationalization and to strategic planning, concrete recommendations are made: The book first looks at going international for new markets. Then it shows how to develop an internationalization strategy for production and sourcing. Finally strategic planning in an international company is explained. The book is aimed at company executives, master students and participants of EMBA programs. It is intended to serve as a support for developing successful strategies for going and being international.
