Learn how to read in Spanish--starting right now! Easy Spanish Reader is a unique, easy-to-follow guide based on the premise that the best way to learn a language is to start reading it immediately! Whether you're a brand-new beginner or an advanced-beginning learner, this new edition gives you ways to dive into the language with engaging readings that progress in difficulty to match your growing reading skills. This process will allow you to rapidly build comprehension and confidence as you enjoy the stories. Easy Spanish Reader begins with the story of two high-school seniors involved with their Spanish Club. As you read about their experiences, you'll discover the nuances of language and culture right along with the students. The next section contains a colorful history of Mexico, from the Conquistadors to the present, including vivid depictions of Cortès's encounters with the Aztecs. The last section is comprised of an abridged version of the classic story "Lazarillo de Tormes," which allows you to practice your grammar and vocabulary skills on a great work of Spanish literature. Progressive format makes it easy to quickly build comprehension Marginal word glossaries conveniently present new words and phrases Exercises challenge language comprehension and build reading skills Fully updated new editions, featuring expanded exercises and answer key

The fun and easy way to quickly enhance basic Spanish reading skills This bestselling program is based on the premise that the easiest way to learn a new language is to start reading it immediately. Easy Spanish Reader features a series of engaging readings that progress in difficulty allowing you to build comprehension rapidly and efficiently. You'll read about the adventures of two high school students and their Spanish club; discover episodes from the colorful history of Mexico; and finally, move on to an abridged adaptation of the classic story Lazarillo de Tormes. Whether you are an absolute beginner or an intermediate language learner, this is great way to develop new Spanish language skills. This Premium Fourth Edition is enhanced by the McGraw-Hill Language Lap app and features: • Flashcards of all glosses in the book • Audio recordings of all readings from the book • Audio recordings of select post-reading exercises; if your mobile device has the capability, you can record your own answer and compare it against the native-speaker pronunciation

Geared toward advanced beginners, these highlights from poetry, plays, and stories by noted Spanish-language writers include works by Gabriela Mistral, Pedro Calderón de la Barca, and Lope de Vega.

A beginning textbook divided into three sections which center on different themes and include reading selections, vocabulary lists, grammar, and exercises.

Spanish for Reading and Translation is designed to prepare students to be able to read in Spanish, particularly for students enrolled in universities that call for a reading knowledge of a foreign language as a requirement for a graduate degree. Requiring only a recognition knowledge of Spanish, this text prepares students to answer content questions about passages and to translate English text into Spanish.

Delightful stories, other material based on works of Don Juan Manuel, Luis Taboada, Ricardo Palma, other noted writers. Complete faithful English translations on facing pages. Exercises.

Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Quick, essential techniques to practice ego state therapy, a popular therapeutic approach. Most of us have different aspects, “parts,” or “ego states” of ourselves—the silly and imaginative five-year-old part, for example, or the depressed, anxious, or angry adolescent—which manifest as particular moods, behaviors, and reactions depending on the demands of our external and internal environments. “Ego state therapy” refers to a powerful, flexible therapy that helps clients integrate and reconcile these distinct aspects of themselves. This book offers a grab bag of ego state interventions—simple, practical techniques for a range of client issues—that any therapist can incorporate in his or her practice. In her characteristic wise, compassionate, and user-friendly writing style, Robin Shapiro explains what ego states are, how to access them in clients, and how to use them for a variety of treatment issues. After covering foundational interventions for accessing positive adult states, creating internal caregivers, and working with infant and child states in Part I: Getting Started With Ego State Work, Shapiro walks readers step-by-step through a variety of specific interventions for specific problems, each ready for immediate application with clients. Part II: Problem-Specific Interventions includes chapters devoted to working with trauma, relationship challenges, personality disorders, suicidal ideation, and more. Ego state work blends easily, and often seamlessly, with most other modalities. The powerful techniques and interventions in this book can be used alone or combined with other therapies. They are suitable for garden-variety clients with normal developmental issues like self-care challenges, depression, grief, anxiety, and differentiation from families and peer groups. Many of the interventions included in this book are also effective with clients across the dissociation spectrum—dissociation is a condition particularly well suited to ego state work—including clients who suffer trauma and complex trauma. Rich with case examples, this book is both a pragmatic introduction for clinicians who have never before utilized parts work and a trove of proven interventions for experienced hands to add to their therapeutic toolbox. Welcome to a powerful, flexible resource to help even the most difficult clients build a sense of themselves as adult, loveable, worthwhile, and competent.
