Ecotourism and its effects, in all parts of the Developing World, are defined, described and analysed. Comprising 9 chapters, the first 3 chapters set the industry context and geographical scope of the book. This is followed by country case studies on Costa Rica, Kenya, Nepal, and Thailand, and a chapter on the Caribbean and South Pacific. In the final chapter, the common themes and patterns...

Ecotourism in Costa Rica is one of the key activities of the tourism industry in the country. By the early 1990s, Costa Rica became known as the poster child of ecotourism. The country is among many developing nations that look to ecotourism as a way of cashing in on the growing demand for this popular trend of travel. Ecotourism draws many tourists to visit the extensive national parks and protected areas around the country. Costa Rica was a pioneer in this type of tourism, and the country is r
