The Legend of Runersia ...
Comment by Enthorn I like transmog items that either match the purple of the set, or line up with the fire/frost colors. For instance, with a staff, I go with something that is purple, such as Staff of Infinite Mysteries, Ti'tahk, the Steps of Time, or Nibelung, because the staff is centered on the back. With swords and daggers, I find it best to match the orange/yellow look of the right shoulder.
