Beyond Willpower: The Secret Principle to Achieving ...

Describes how to harness the power of love to combat stress using a forty day program that incorporates a quarter century of clinical experience with science and ancient wisdom to help readers meet their goals and achieve success.

Did you know that most self-help programs that follow the standard success blueprint have a 97% failure rate? The truth is that the typical personal improvement mantra of tapping into your willpower and activating the power of positive thinking is actually a recipe for failure. In Beyond Willpower, bestselling author and psychological counselor Alexander Loyd, PhD, ND, reveals a unique, highly effective program to help you finally achieve the life you want and the success you deserve. Science has proven that stress, or internal fear, is the primary source of virtually any problem we encounter- physical, spiritual, emotional, and even circumstantial. New research has shown that fear is literally programmed into us at the cellular level, which is why most of us are unable to turn off our stress response by willpower alone. For the first time, this book teaches you how to change your cellular programming from fear to love, triggering a natural chemical chain reaction that fuels you for your best success. Rooted in science, ancient wisdom, and proven therapeutic techniques to remove personal obstacles that sabotage us, Beyond Willpower offers a revolutionary 40-day holistic program based on more than 25 years of clinical experience. With this program you will identify and clarify what fundamentally defines success for you. Then you'll receive the three simple tools you need to internally shift from fear to love physically (using the Energy Medicine tool), mentally (using the Reprogramming Statements tool), and spiritually (using the Heart Screen tool). You'll also have free access to the unprecedented "Success Issues Finder" test, which accurately diagnoses your unconscious and subconscious issues related to success and failure, happiness and unhappiness. No matter how you define success - as wealth, career satisfaction, healing of health issues, or resolution of relationship problems -Beyond Willpower will help you achieve it once and for all, quickly and for the long term. From the Hardcover edition.

A new book from the bestselling author of The Healing Code about how to go from stress to success in 40 days. The revolutionary new science of Practical Spirituality designed to replace stress with well being and success, quickly and for the long term. Did you know that most self-help programmes have a 97% failure rate? The truth is that the standard self-help mantra of tapping into your willpower and using the power of positive thinking is actually a blueprint for failure. In Beyond Willpower, bestselling author and psychological counsellor Alex Loyd, reveals the definitive step-by-step programme to help you finally achieve the life you want and the success you deserve. Science has proven that stress is the primary source of virtually any problem - physical, spiritual, emotional, and even circumstantial. Loyd believes that we need to understand how love works in our bodies to combat stress. By harnessing love's power and learning to love in the present moment, you can define your life goals and live mindfully in a state of peace. Beyond Willpower offers a revolutionary 40-day holistic guide based on more than 25 years of clinical experience and rooted in science, ancient wisdom, and proven therapeutic techniques to remove personal obstacles that sabotage success. Using the programme you will define your goal, be it wealth, career satisfactions, healing of health issues, or resolution of relationship problems and follow the step-by-step process for achieving this goal quickly and for the long term.

"Beyond Willpower offers a revolutionary 40-day holistic program based on more than 25 years of clinical experience and rooted in science, ancient wisdom, and proven therapeutic techniques to remove personal obstacles that sabotage success. Using the program you will define your goals and hone in on want you really want in life--what really defines success for you"--Provided by publisher.

Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," The Willpower Instinct is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, The Willpower Instinct explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: • Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. • Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. • Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower • Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control. • Giving up control is sometimes the only way to gain self-control. • Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models. In the groundbreaking tradition of Getting Things Done, The Willpower Instinct combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

International bestselling author of The Healing Code and The Love Code Dr. Alexander Loyd offers a radical new approach to mindfulness, a powerful tool called Memory Reengineering that enables users to level up their lives in as little as 10 minutes. We have all had negative experiences in our lives, the memories of which can cause shame, embarrassment, fear, trauma, and worse. Those memories often prevent us from reaching our goals, whether they be related to weight, career, relationships, or success in other areas. But international bestselling author Alexander Loyd has developed a set of techniques that enable users to change the stories they tell about themselves to become healthier, happier, and more successful. Memory Reengineering is a toolbox of skills that disconnect painful emotions from memories, replacing them with happier and healthier feelings. In The Memory Code, Dr. Loyd teaches readers that the past does not have to dictate the future. You can change your behaviors by changing the way you tell your story-and once you understand the process, you can begin to feel the effects in as little as 10 minutes. Whether you want to improve at work, fix your relationships, end an addiction, or just finally move past painful memories to achieve self-growth, The Memory Code will give you the power to change.

Did you know that most self-help programs that follow the standard success blueprint have a 97% failure rate? The truth is that the typical personal improvement mantra of tapping into your willpower and using the power of positive thinking is actually a recipe for failure. In The Love Code (previously published in hardcover as Beyond Willpower), bestselling author and psychological counselor Alexander Loyd, PhD, ND, reveals the definitive self-help program to help you finally achieve the life you want and the success you deserve. Science has proven that stress is the primary source of virtually any problem- physical, spiritual, emotional, and even circumstantial. Loyd believes that we need to understand how love works in our bodies to combat stress. By harnessing love's power and learning to live in the present moment, you can define your life goals and live mindfully in a state of peace. Rooted in science, ancient wisdom, and proven therapeutic techniques, The Love Code offers three important mental, physical, and spiritual tools and a revolutionary 40-day holistic program based on more than 25 years of clinical experience in removing the obstacles that sabotage us. You'll also have free access to the unprecedented "Success Issues Finder" test, which accurately diagnoses your unconscious and subconscious issues related to success and failure, happiness and unhappiness. No matter how you define success - as wealth, career satisfaction, healing of health issues, or resolution of relationship problems - The Love Code will help you achieve it once and for all, quickly and for the long term.

With over 1 million copies sold worldwide and translated into 29 languages, Dr. Alex Loyd's international bestselling book is a life-changing program that uses energy medicine to heal mental and physical challenges. The Healing Code is your healing kit for life-to-recover from the issues you know about, and repair the ones you don't. The book also includes: The Seven Secrets of life, health, and prosperity. The 10-second Instant Impact technique for defusing daily stress. The Heart Issues Finder, the only test that identifies your source issues in a succinct personalized report. Dr. Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease. His findings were validated by tests and by the thousands of people from all over the world who have used The Healing Code's system to heal virtually any physical, emotional, or relational issue. His testing also revealed that there is a "Universal Healing Code" that will heal most issues for most people. In this book you will get that Universal Healing Code, which takes only minutes to do.
