you get on the road to preparedness. Are you ready to be ready?

Guides readers in establishing a disaster plan covering the basic human needs in case the unpredictable happens, with information for those with special needs, including the elderly, children, pregnant women, and pets.

This handbook will help you to establish a practical disaster preparedness plan for your entire family. The 3RD EDITION has been expanded to cover every important topic, including food storage, water purification, home improvements, electricity generation, backup heating, firearm selection and handling, communication systems, disaster preparedness networks, evacuations, life-saving first aid, and much more. Working through the steps identified in this book will prepare your family for nearly any disaster, whether it be natural disasters making the news daily (e.g., earthquakes, tornadoes, hurricanes, floods, and tsunamis), or high-impact global events, such as electromagnetic pulse attacks, radiological emergencies, solar storms, or our country's impending financial collapse. The new larger 8" x 10" format includes easy-to-copy worksheets to help organize your family's preparedness plans. Additional information is also presented for the elderly, those with children, people with disabilities,

Ninety-nine percent of the time the world spins like a top, the skies are clear, and your refrigerator is full of milk and cheese. But know with certainty that the world is a dangerous place. Storms rage, fires burn, and diseases spread. No one is ever completely safe. Not you. Not your children. We all live as part of a very complex ecosystem that is unpredictable and willing to kill us without remorse or pause. This book will help you to establish a practical disaster preparedness plan for your entire family, covering all 14 basic human needs. Additional information is also presented for those with special needs, including the elderly, children, people with disabilities, pregnant women, and pets. Every topic is well researched, with over 240 references cited, and is presented in a clear, easy to read format.
