Much has been written about becoming an "alpha male" most of it is regurgitated nonsense and yet still many males obsess over this concept. What does it mean to be an alpha male and (more importantly) how can I become one so that I can reap all of the benefits that I hear so much about. That men will respect me, girls will want me, and overall I'll be a dominant leader. While the word alpha male means different things to different people it always conjures up the same idea. The man who is the head of the pack, that men respect and women want. A man

Women Want to Love and Obey...in Every Way In order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to

Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security.
