students. The authors strike a balance of definitive theory and everyday application that resonates with the challenges and goals of today's typical basic course. In the new 7th edition, updated research is integrated throughout the text. Additionally, there is a new focus throughout the text on how communication can help individuals relate in an increasingly polarized world. This edition also discusses fake news within the context of ethical research for a presentation and provides new sample presentation and outline examples. Finally, the new 7th edition will also feature SmartBook 2.0, the first and only adaptive reading experience, that highlights content based on what the individual student knows and doesn't know and
