All Hurrah For Gin books make me feel warm and fuzzy, especially on the rare occasions when I don't have much to feel warm and fuzzy about. When I feel stressed or anxious about parenting (at one point, daily), I read her first book which would make me feel calm, and better able to take on a toddler in a rage over the texture of peas.

The perfect gift, this book is not a how-to guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent, or even a renegade parent. It's a book about parenting that contains absolutely no useful advice whatsoever. Instead, Hurrah for Gin shares beautifully honest anecdotes and illustrations from the parenting front line that demonstrate it is perfectly possible to love your children with the whole of your heart while finding them incredibly irritating at the same time. From pregnancy to starting school, Hurrah for Gin takes you through the

exciting, frustrating, infuriating, and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin.

The first book in the hilarious new series for children by the bestselling creator of Hurrah For Gin. Lottie Brooks is 11 3/4 and her life is already officially over - not only is she about to start high school without any friends or glamorous swooshy hair, she's just discovered she's too flat-chested to wear A BRA! She might as well give up now and go into hibernation with her hamsters Sir Barnaby Squeakington and Fuzzball the Third. Lottie navigates the many perils of growing up in this fantastically funny new illustrated series for a 9-12 audience, filled with friendship, embarrassing moments and plenty of lols. Louise Rennison for the Diary of a Wimpy Kid generation - hilarious, relatable and full of heart.

From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading. When her corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of *The History Boys*, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

Lottie Brooks is back for spring term at secondary school and with her best friends Jess and Molly at her side, she can face anything. No more trying to impress mean girls Amber and Poppy. And absolutely no more being nicknamed Cucumber Girl. Plus, the spring musical means Lottie can dazzle her mega-crush Daniel with her talent as a singing crustacean. But her friendship with Jess and Molly seems to be going off the rails however much she tries to keep them all together. What's she going to do? Three isn't really a crowd . . . is it?

'Warning: so funny, even the strongest pelvic floors will be tested' - Net Mums 'A very funny, honest look at the ups and downs of parenting. I absolutely loved it.' - Emily Dean, host of *Walking the Dog* 'Lucy, a favourite comic of mine, manages to shed new light on something so universal. Her reaction to parenting is ridiculously refreshing and loaded with guilty laugh out loud honesty. After the school

run, I implore you to pick a page, any page, then realise you're not alone. A gentle funny stroke of parenting genius' - Johnny Vegas 'As a mum of two girls, I was nodding, laughing and emotional. I recognised so much of Lucy's journey in my own... I really loved it.' Yolanda Brown, BBC Loose Ends From TV's award-winning comedy mum, Lucy Beaumont, comes her hilarious debut on the trials and tribulations of motherhood. Known for her sharp, witty and surreal view on everyday life, Lucy shares the unpredictable craziness of being a mum in this brilliant and laugh-out-loud 'mumoir'. Mums everywhere will recognise the madness of it all. Like when Lucy was hospitalised during her third trimester with chest pains but it turned out to be a burrito. Or when she was so tired at the park she forgot her own child's name. Heart-warming and laugh-out-loud funny, Drinking Custard also captures Lucy's marriage to comedian Jon Richardson, as they navigate Lucy's raging pregnancy hormones and balk at pram prices together. Get ready to make room on mum's bookshelf for Drinking Custard to sit alongside other mum classics such as Why Mummy Drinks, Hurrah For Gin! and The Unmumsy Mum.

ULYSSES James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the

## Download Free Hurrah For Gin Notecard Set

mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's Odyssey, James Joyce's Ulysses is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

\*The perfect Christmas gift for the reluctant adult in your life \* Perpetually overwhelmed? Welcome to the new book from Katie Kirby, creator of the bestselling Hurrah for Gin Do you overthink everything? Do you struggle to say no to people? Are you paying membership for a gym you never go to? Do group chat politics make you want to throw your phone under a bus? Are you overjoyed when people cancel plans so that you can sit at home in your pyjama bottoms eating Coco pops for dinner? If so then this book is for you! We spend our childhoods wanting to be adults and, when we get there, find ourselves lost under a pile of life admin, half completed to do lists and anti-ageing face creams that promise to make you look as good as Natalie Imbruglia. In her new book, Hurrah for Gin pinpoints with painful precision just how overwhelming life can be when you're all grown up. From the worry spiral that keeps you up at 3AM, to maintaining a professional aura when you can't stand other people - this is for everyone struggling to stay afloat. Honest, relatable, funny and containing no useful advice whatsoever, take comfort in the knowledge that it's not just you, we're all as f\*cked as each other.

Why Mommy Drinks is the brilliant novel from Gill Sims, the author of the online sensation Peter and Jane.
