Learn to 'draw' and 'paint' with thread and your sewing machine! Stop struggling to find the answers to basic questions-they're all here! Do you want to learn free machine thread sketching and thread painting, but have no idea where to begin? Are you frustrated that no-one tells you the basics? Do you want tools and techniques explained clearly and methodically? Tired of wasting hours searching for simple answers? Do you want a handy reference tool by your side? This guide covers everything the beginner needs for free machine embroidery, thread sketching and thread painting: Equipment and Tools Machine Needles-which ones to use Thread for Thread Sketching Setting up your Machine for Free Motion Stitching Understanding Tension Fabric All about Stabilizers Stitch Basics Puckering (and How to Avoid It!) Free Bonus! 6 Free Projects to help you get started! Creative Thread Sketching: A Beginner's Guide Begin an exciting journey into drawing and painting with thread and sewing machine. You'll be guided through the 'start-up' phase of thread sketching, thread painting and free machine embroidery, and introduced to some more advanced techniques.After years of working in the creative arts, teaching and guiding people through techniques from basic to advanced, Deborah is ready to offer this complete guide that reveals everything you need to know as a beginner.You can do it, even if you're a complete novice! Frustratingly, the basics are so often glossed over, leaving your creative mind with a rich palette of ideas, but absolutely no idea where to begin, or how to solve some of those pesky little problems that face us all from time to time. This book will answer your questions and solve your problems. Take the first step towards mastering the arts of thread sketching and thread painting. Scroll to the top of this page and click the 'BUY NOW' button NOW! About the Author Australian textile and digital artist, teacher, writer and musician, Deborah Wirsu, shares how to make wonderful thread sketched and thread painted textile art, offering creative ideas, easy-to-follow advice, along with informative tips, tutorials and online classes. Early forays into a range of sewing and textile arts and crafts led, over time, to a fascination with 'painting' with thread, creating visually appealing works of art using surprisingly easy-to-master techniques. As long as you can use a sewing machine, you can learn to draw and paint with thread.Deborah's work has been exhibited and sold worldwide, and her passion for teaching online has allowed her to reach out to thousands of students around the globe. Other business pursuits and interests involve Classical Music, and Proofreading, Editing and Writing.

Getting your sewing machine repaired is not cheap. You'll easily pay over \$100 for a simple diagnostic service. Stop wasting money when you can easily solve most sewing machine problems yourself.This troubleshooting guide walks you through how to fix more than 20 of the most common sewing machine problems. The best part is that you won't have to pack up your machine and wait several days for a repair technician to service it. You can have your sewing machine up and running again in a matter of minutes. That means more time sewing and less time crying!Get a copy of Sewing Machine Problems and How to Solve Them to keep in your sewing room. You can fix most sewing machine problems yourself!

Let your quilting creativity soar with these magical machine techniques! Are you using your sewing machine to its fullest creative capacity? Do you know what each foot can do? Expand your repertoire with machine techniques, embellishment, surface design, and thread painting skill, thanks to your sewing machine. Nine highly qualified, experienced sewing machine educators have developed 13 delightful projects to show you how to make the most of your machine's technical possibilities. From pillows to bed scarves, from wallhangings to table runners, any quilt will benefit when its creator uses these techniques.

Quilting expert Eleanor Burns introduces two classic quilt patterns that are combined to make this beautiful Orion's Star Quilt. The Evening Star centers are flawlessly made using the Quilt in a Day unique Flying Geese method. Then they are surrounded by two complementary colors using easy strip piecing to form 'logs'. Yardage charts are written for all quilt sizes, wall hangings through king.

Designed to guide learners through the often disorienting experience of taking a first art history class, this book addresses all aspects of total experience. KEY TOPICS Specific chapter topics cover note-taking during lecture, studying for and taking slide exams, writing response papers, methodology, how to critique secondary scholarship, and what to do with an art history degree. For individuals with little or no experience in art history, and an interest in the powerful images that can provide a rich perspective on social, political, and cultural history.

The number-1 requested sewing book just got better Ideal for sewing enthusiasts of all skill levels, this book uses photos and clearly written text to demonstrate all the basic sewing techniques needed for sewing clothes and home décor items.

Claire Shaeffer's Fabric Sewing Guide is your one-stop sewing resource, with answers to the most common sewing questions and details about the latest advancements in sewing. This new, thoroughly updated edition contains everything you need to know, and will surely be a reference you will review again and again. In addition to an extensive glossary with answers to the most common sewing questions, this must-have guide includes easy-to-read charts for needle sizes and thread and stabilizer types. It also includes 225 full-color photos and a fabric and fiber dictionary. Truly a one-stop reference when looking for answers.
