Guns. Acid. Cameras. School. The themes behind the controversial Hellblazer: Shoot by Warren Ellis and Phil Jimenez merge with the attitude of the Grant Morrison and Philip Bond masterpiece of teenage revolt, Kill Your Boyfriend, deliver a story of magic, passion, and disinformation. Wild Children: A different type of education.

"The need for a guidebook enabling all those interested in Dutch art to find out at a glance which paintings and drawings by particular artists or which works of applied art of various periods are to be found in the major American public collections is so obvious that it comes as a surprise to discover that none as ever been written.

Until now anyone wishing to know where Dutch art from past centuries or the not-so-distant past could be seen or studied had to rely on memory or hearsay, or had to consult the countless catalogues and publications of the far flung individual museums. Since a fundamental goal of American collecting has been to educate people about all cultures, Dutch art, like the art of so many other nations, is found in virtually every city and town across the country. . . Now we have a guide that tells us where to find the art that we seek and that gives us a lively but professional analysis of the historical significance of these treasures."--Preface
