Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before—for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.

Let's take a walk with the Master! Is it even possible to walk as Jesus walked? Well, there's only one way to find out! Follow along and study the very model of how to live life/the way Jesus lived. More than just highlighting various aspects of Jesus' life, ministry veteran Dann Spader examines the broad scope of who He is, helping us understand how the life of Christ should transcend our busy, 21st-century lifestyles. With a practical approach, daily lessons in this 10-week study touch on foundational elements of Jesus' life, including: His intentionality in fostering loving relationships His unwavering obedience and reverent submission to God A life that was steadfast in prayer His dependence upon the Holy Spirit His movement of multiplying disciples Walk Like Jesus will not only provide you with a wealth of biblical knowledge on Jesus' life, it will also challenge you to follow after Christ. It is sure to bring insight and godly nourishment in your trajectory toward knowing Christ and becoming more like Him. Learn how to implement the Like Jesus series into your small group, ministry and church to build a culture of disciple-making. Jesus came to bind up the brokenhearted and set the captives free, as He proclaimed the coming of the Kingdom of God (Isaiah 61; Luke 4). As the Father sent the Son, so the Son sends us (John 20). We're called to "prepare the way of the Lord." We can't prepare others unless we're prepared ourselves. We can't minister healing and deliverance to others, unless we've it ourselves. God has given us biblical, spiritual principles to be whole and free, so we can minister His blessings of wholeness and freedom to others through the power of prayer.

Course Objectives: Students completing this course will Explore the history of the ChurchLearn about the lives of courageous missionaries around the worldUnderstand the importance of spreading the GospelStudy current global missions needsAcquire geographical knowledge Vocabulary Study: Having a good vocabulary is essential for students to be effective communicators, thinkers, and readers. It is a skill that is applicable to any academic discipline, including history. Students should be encouraged to look up words that they do not know when they encounter them while reading. Students will not do formal vocabulary activities in this course, but a glossary has been provided for words that the students may find difficult or unfamiliar in the assigned reading. Upon encountering an unknown word, the student should consult the glossary provided at the back of the teacher guide and/or a dictionary. Students should also be aware that many of these words have multiple meanings. It is important that students learn to use the context of these words in the text to help understand their meanings. Students are encouraged to maintain a list of these words and review them periodically throughout the course. Review could include writing the words and their definitions on index cards to use as flashcards, having students create their own dictionaries, or using the words in sentences. This component of the course is entirely optional, however, and not built into the schedule. Using Vintage Books: One of the books included in this course, Adventures in Missionary Heroism, was originally published in the early 1900s. There is real value in reading vintage books like this one. These historical texts not only provide us with information but also insight into the attitudes and perceptions of people from that time. It is important to remember that vintage books can express attitudes and use terminology that is no longer considered appropriate. When students come across these moments in vintage books, it is the perfect opportunity for them to have a discussion with their teacher about this material. Teachers and students can use this opportunity to analyze the differences in attitudes between now and then, as well as to review Biblical principles regarding issues like racism. These conversations will provide students a context for understanding the attitudes expressed in the text, as well as help them develop their own skills of discernment and critical thinking when it comes to materials they are reading.

Can the truth about Jesus be uncovered—even without a body or a crime scene? Join cold-case detective and bestselling author J. Warner Wallace as he investigates Jesus using an innovative and unique approach he employs to solve real missing person murder cases. In Person of Interest, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You'll understand like never before how Jesus, the most significant person in history, changed the world. Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases Marvel at the way Jesus changed the world as you investigate why Jesus still matters today Learn how to use an innovative and unique "use and fallout" investigative strategy that you can also use to examine other claims of history Explore and learn how to respond to common objections to Christianity Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. Could the historical life and actions of Jesus be investigated in the same way? In Person of Interest, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, Person of Interest will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." (ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You'll be captivated as Wallace takes you on a thrilling journey of discovery." (ILEE STROBEL, bestselling author of The Case for Christ "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" (ALISA CHILDERS, author of Another Gospel "Bring your doubts, bring your skepticism—but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." (SCOTT HANSON, host of NFL RedZone
