"Inverting the pyramid" offers an assessment of the evolution of football formations from the Victorian era through to the 2000's. There is a logical progression in how the way the game has played with new formations coming into fruition to combat the challenges produced my earlier styles of play.

Inverting the Pyramid: The History of Football Tactics ...

In *Inverting the Pyramid*, Jonathan Wilson pulls apart the finer details of the world's game, tracing the global history of tactics, from modern pioneers right back to the beginning when chaos reigned. Along the way, he looks at the lives of great players and thinkers who shaped the sport and probes why the English, in particular, have 'proved themselves unwilling to grapple with the abstract'.

into the history of football tactics, specifically from the viewpoint of the development and using of different formations. Jonathan Wilson tackles the subject with authority, wide scope (although admittedly being Europe and South America centric), and clear and fluent writing, effectively creating a book that's enjoyable read for any football enthusiast.
