Jitterbug Perfume Tom Robbins

Still Life With Woodpecker and anything else by Tom Robbins. First published almost ... books like Even Cowgirls Get The Blues, Jitterbug Perfume and Half Asleep in Frog Pyjamas amongst others.

Five must-read classic books to keep you entertained this winter

So did Tom Robbins, it seems. He wrote a series of weird and wonderful ... Beets are deadly serious.¶ Jitterbug Perfume (1984). According to Tom, it could be the secret to immortality. ¶m not sure ...

Still Life With Woodpecker and anything else by Tom Robbins

Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.

Still Life With Woodpecker and anything else by Tom Robbins

Jitterbug Perfume Tom Robbins

¶Written with a style and humor that haven't been seen since Mark Twain.¶¶Los Angeles Times What if the Second Coming didn't quite come off as advertised? What if "the Corpse" on display in that funky roadside zoo is really who they say it is?what does that portend for the future of western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age? Another Roadside Attraction answers those questions and a lot more. It tell us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind. ¶Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce.¶¶Rolling Stone

Jitterbug Perfume Tom Robbins

Internationally bestselling novelist and American icon Tom Robbins delivers the long awaited tale of his wild life and times, both at home and around the globe. Tom Robbins's warm, wise, and wonderfully weird novels—including Still Life With Woodpecker, Jitterbug Perfume, and Fierce Invalids Home From Hot Climates—provide an entryway into the frontier of his singular imagination. Madcap but sincere, pulsating with strong social and philosophical undercurrents, his irreverent classics have introduced countless readers to natural born hitchhiking cowgirls, born-again monkeys, a philosophizing can of beans, exiled royalty, and problematic redheads. In Tibetan Peach Pie, Robbins turns that unparalleled literary sensibility inward, stitching together stories of his unconventional life, from his Appalachian childhood to his globetrotting adventures ¶told in his unique voice that combines the sweet and sly, the spiritual and earthy. The grandchild of Baptist preachers, Robbins would become over the course of half a century a poet-interruptus, an air force weatherman, a radio dj, an art-critic-turned-psychedelic-journeyman, a world-famous novelist, and a counter-culture hero, leading a life as unlikely, magical, and bizarre as those of his quixotic characters. Robbins offers intimate snapshots of Appalachia during the Great Depression, the West Coast during the Sixties psychedelic revolution, international roving before homeland security monitored our travels, and New York publishing when it still relied on trees. Written with the big-hearted comedy and mesmerizing linguistic invention for which he is known, Tibetan Peach Pie is an invitation into the private world of a literary legend.

Jitterbug Perfume Tom Robbins

An Arab and a Jew open a restaurant together across the street from the United Nations.... It sounds like the beginning of an ethnic joke, but it's the axis around which spins this gutsy, fun-loving, and alarmingly provocative novel, in which a bean can philosophizes, a dessert spoon mystifies, a young waitress takes on the New York art world, and a rowdy redneck welder discovers the lost god of Palestine--while the illusions that obscure humanity's view of the true universe fall away, one by one, like Salome's veils. Skinny Legs and All deals with today's most sensitive issues: race, politics, marriage, art, religion, money, and lust. It weaves lyrically through what some call the "end days" of our planet. Refusing to avert its gaze from the horrors of the apocalypse, it also refuses to let the alleged end of the world spoil its mood. And its mood is defiantly upbeat. In the gloriously inventive Tom Robbins style, here are characters, phrases, stories, and ideas that dance together on the page, wild and sexy, like Salome herself. Or was it Jezebel?

Jitterbug Perfume Tom Robbins

Imagine that there are American MIAs who chose to remain missing after the Vietnam War. Imagine that there is a family in which four generations of strong, alluring women have shared a mysterious connection to an outlandish figure from Japanese folklore. Imagine just those things (don't even try to imagine the love story) and you'll have a foretaste of Tom Robbins's eighth and perhaps most beautifully crafted novel--a work as timeless as myth yet as topical as the latest international threat. On one level, this is a book about identity, masquerade and disguise--about "the false mustache of the world"--but neither the mists of Laos nor the smog of Bangkok, neither the overcast of Seattle nor the fog of San Francisco, neither the murk of the intelligence community nor the mummery of the circus can obscure the linguistic phosphor that illuminates the pages of Villa Incognito. A female fan once wrote to Tom Robbins: "Your books make me think, they make me laugh, they make me horny and they make me aware of the wonder of everything in life." Villa Incognito will surely arouse a similar response in many readers, for in its lusty, amusing way it both celebrates existence and challenges our ideas about it. To say much more about a novel as fresh and surprising as Villa Incognito would run the risk of diluting the sheer fun of reading it. As his dedicated readers worldwide know full well, it's best to climb aboard the Tom Robbins tilt-a-whirl, kiss preconceptions and sacred cows goodbye and simply enjoy the ride.

Jitterbug Perfume Tom Robbins

When the stock market crashes on the Thursday before Easter, you'll ambitious, although ineffectual and not entirely ethical young broker—are convinced that you're facing the Weekend from Hell. Before the market reopens on Monday, you're going to have to scramble and scheme to cover your butt, but there's no way you can anticipate the baffling disappearance of a 300-pound psychic, the fall from grace of a born-again monkey, or the intrusion in your life of a tattooed stranger intent on blowing your mind and most of your fuses. Over these fateful three days, you will be forced to confront everything from mysterious African rituals to legendary amphibians, from tarot-card bombshells to street violence, from your own sexuality to outer space. This is, after all, a Tom Robbins novel—and the author has never been in finer form.

Jitterbug Perfume Tom Robbins

¶This is one of those special novels—a piece of working magic, warm, funny, and sane.¶¶Thomas Pynchon The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all ¶bursting with dimples and hormones¶¶and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes and its prices, is a major theme of Tom Robbins's classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind.

Jitterbug Perfume Tom Robbins

¶Robbins's comic philosophical musings reveal a flamboyant genius.¶¶People Still Life with Woodpecker is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads.

Jitterbug Perfume Tom Robbins

Known for his meaty seriocomic novels'expansive works that are simultaneously lowbrow and highbrow¶Tom Robbins has also published over the years a number of short pieces, predominantly nonfiction. His travel articles, essays, and tributes to actors, musicians, sex kittens, and thinkers have appeared in publications ranging from Esquire to Harper's, from Playboy to the New York Times, High Times, and Life. A generous sampling, collected here for the first time and including works as diverse as scholarly art criticism and some decidedly untypical country- music lyrics, Wild Ducks Flying Backward offers a rare sweeping overview of the eclectic sensibility of an American original. Whether he is rocking with the Doors, depoliticizing Picasso's Guernica, lamenting the angst-ridden state of contemporary literature, or drooling over tomato sandwiches and a species of womanhood he calls "the genius waitress," Robbins's briefer writings often exhibit the same five traits that perhaps best characterize his novels: an imaginative wit, a cheerfully brash disregard for convention, a sweetly nasty eroticism, a mystical but keenly observant eye, and an irrepressible love of language. Embedded in this primarily journalistic compilation are a couple of short stories, a sheaf of largely unpublished poems, and an off-beat assessment of our divided nation. And wherever we open Wild Ducks Flying Backward, we're apt to encounter examples of the intently serious playfulness that percolates from the mind of a self-described "romantic Zen hedonist" and "stray dog in the banquet halls of culture."
