Looking for a job does not have to be frustrating. All you need are the right job hunting techniques. Job Search: Fundamentals of Effective Job Hunting, Resumes, and Interviews will help you develop those skills. In Job Search, you will be given step-by-step instructions on writing a resume that stands out and building a search-optimized profile that shows up on the top of potential employers' lists. You'll learn how to interview more effectively and get the job. You'll get search tips on navigating top job boards and social media sites, such as LinkedIn, Facebook, Indeed, and CareerBuilder. As a bonus, a directory is included: a list of over 500 websites that you can use to find your next job. Job Search has 18 years of firsthand experience behind it. As a recruiter interacting with many Fortune 500 hiring managers, I've learned what employers are looking for. This book shares those insider insights with you.

Crush Your Career is all about you taking charge of your own career. Do you realize that most people spend more time planning their annual vacation than they do the next steps for progression of their careers. Don't let that be you. This book will walk you through the process of job hunting, writing your own resume and interview techniques. At the time of this writing I am a Hiring Manager for a Fortune 500 company. I have seen a lot of resumes and cover letters. I've spent countless hours in interviews with perspective employees both internal and external to the company. I have interviewed college graduates in their early 20's and senior level folks trying for that next promotion in their 40's and 50's. It amazes me how unprepared people are as a whole. Statistics show that upwards of 75% of resumes never get seen by human eyes. This book will show you how to increase your chances of breaking into that top 25%. Getting the interview is half the battle. Suit up...let's go to war!

Despite what HR Departments want you to believe, the best person does not always get the job. The people that succeed are those who know how to press the company hot buttons and present a hypnotically desirable front in the interview. This book will show how to accomplish that.

This book provides valuable guidance on how to effectively shape your career by creating the perfect r\u00e9sum\u00e9, track down the right job, and interview professionally to get the job you have always wanted. Gainfully Employed is designed for both those entering the workforce for the first time as well as professionals with years of work experience wanting to get a new job or a new career. Gainfully Employed guides job seekers through the r\u00e9sum\u00e9 development process, job search tactics, and interviewing tricks. Readers will learn what it takes to get the job they have dreamed of.Whether youre looking for your first job or have been working for years, Gainfully Employed provides much insight on everything from how to use a personal profile to develop a professional history to asking the right questions during an interview to ensure that you are a good match for the job. Inexperienced job seekers will learn how to find the job that is right for them, present their newly designed r\u00e9sum\u00e9 tailored to the job, and conduct themselves face-to-face in the most professional manner. Experienced job seekers will gain more knowledge in redesigning their current r\u00e9sum\u00e9 to be more effective, search for jobs in venues of which they previously were unaware, and use their experience to look for red flags during an interview or to assure the interviewer that they are right for the job.

A job-search manual that gives career seekers a systematic, tech-savvy formula to efficiently and effectively target potential employers and secure the essential first interview. The 2-Hour Job Search shows job-seekers how to work smarter (and faster) to secure first interviews. Through a prescriptive approach, Dalton explains how to wade through the Internet's sea of information and create a job-search system that relies on mainstream technology such as Excel, Google, LinkedIn, and alumni databases to create a list of target employers, contact them, and then secure an interview-with only two hours of effort. Avoiding vague tips like "leverage your contacts," Dalton tells job-hunters exactly what to do and how to do it. This empowering book focuses on the critical middle phase of the job search and helps readers bring organization to what is all too often an ineffectual and frustrating process.

Learn everything you'll need to know to get your dream job. This book explains how to prepare your job hunting strategy, customize your resume, and nail your interviews. The author is a corporate recruiter who shares insider tips for what employers look for in job candidates. In this book, he includes tricks for moving your resume to the top of the pile and instructions for dazzling hiring managers with amazing answers to their interview questions. It contains step-by-step instructions to help you get the job you want.

Find out how to secure and thrive in a work-from-home or remote-access job. Get out of your work clothes and into pajamas for good! Did you fall in love with working from home during the months of coronavirus restrictions? Is working in your pajamas appealing? Do you want to earn some income on the side? In 2020, the workplace has been transformed and working from home has exploded. It may, in fact, be the new reality of working for many of us, some full-time, some as a hybrid work scenario. With some information and expert guidance, you can transform your workday, take control of your time, and explore exciting new opportunities. Great Pajama Jobs' Your Complete Guide to Working from Home is your playbook. Until recently, you may have gone to an office that was uninspiring or chaotic, or spent a large part of your busy day responding to emails and working on computer-tasks that could easily be accomplished from home. You may have spent hours commuting each day. Then too, you may be a military spouse in search of an ideal remote job to take with you to a new base, or you may need to manage your personal health issues or caregiving duties. Or you may simply want to inch a little closer to a more favorable work-life balance. The truth is you may need the autonomy and flexibility of working remotely for a myriad of reasons. Great Pajama Jobs is your ultimate guide to finding a job where you can work remotely and advance your career while working in pajamas (or certainly something more comfortable than traditional work garb). Learn the nuts and bolts of how to land a remote-access job you love that will allow you to thrive in your career or bring in extra income in retirement Discover up-to-date resources for finding a solid work from home job for professionals Read insightful interviews with professionals who have already made the move successfully Learn more about leading companies recognized for providing remote employment opportunities Explore great remote jobs in a variety of fields There's something here for everyone, a job-hunter's smorgasbord. No, this is not the master list of every job under the sun, but you'll discover plenty of ideas to spur your imagination about how you can make the most of your talents to create work that, well, works for you. Each job description follows this format: the nitty-gritty, pay range, and qualifications needed, with a smattering of job-hunting tips tossed in. In "Kerry's Great Pajama Jobs Workshop," you'll reap the benefits of professional advice and strategies with information to help you land that work-from-home job, including a resume revamp, the best online job boards for home-based positions, tips on time management and organizing a productive home office, tax advice, and help with saving for retirement when you're on your own. Working from home is here, and it's real. This year's work-from-home mandates for many workers around the world, due to the coronavirus, has pushed many employers to embrace and trust remote work. Technology has already boosted the phenomenal growth of home-based employment in recent years and continues to do so. Remote jobs are popular for a good reason. They save you commute time and allow you to focus on completing your work productively and successfully, and they typically provide employers significant cost savings as well. You have the flexibility to choose career opportunities that do not require you to commit long hours inside an office environment. Experience all that a more flexible position can offer when you look to the guidance found in this remote employment roadmap. If you land home office work, comfortable work clothing or even PJs may be your wardrobe of the future. Great Pajama Jobs will help you get on track to finding the best remote job for you.
