A tractor repair manual written for the experienced mechanic by professionals in an easy-to-use format , including numerous photos, illustrations and exploded views.

Dry, offbeat, and mostly profane, this debut collection of humorous nonfiction glorifies all things inappropriate and TMI. A compendia of probing essays, lists, profiles, barstool rants, queries, pedantic footnotes, play scripts, commonplace miscellany, and overly revealing memoir, How to Be Inappropriate adds up to the portrait of an artist who bumbles through life obsessed with one thing: extreme impropriety. In How to Be Inappropriate, Daniel Nester determines the boundary of acceptable behavior by completely disregarding it. As a twenty-something hipster, he looks for love with a Williamsburg abstract painter who has had her feet licked for money. As a teacher, he tries out curse words with Chinese students in ESL classes. Along the way, Nester provides a short cultural history on mooning and attempts to cast a spell on a neighbor who fails to curb his dog. He befriends exiled video game king Todd Rogers, re-imagines a conversation with NPR's Terry Gross, and invents a robot version of Kiss bassist Gene Simmons. No matter which misadventure catches their eye in this eclectic series of essays, How to Be Inappropriate makes readers appreciate that someone else has experienced these embarrassing sides of life, so that they won't have to.

This compact book contains the best buying advice from "Consumer Reports" along with expert strategies for finding many products at the best prices. Includes advice for shopping online, by mail order, or in stores; lab test results; and a preview of the 2001 model-year vehicles.

Rates consumer products from stereos to food processors
