"Ken Browne's Sociology for AQA A/S level textbook is exceptionally well packaged and very thorough. The great strength of this book lies in its ability to simplify complex sociological concepts and bring them to life by using key examples from contemporary social life. I strongly recommend this book as a must read for A/S Level students.

Sociology for AQA Volume 1 is the new edition of Ken Browne's invaluable and widely used textbook, designed for AQA's new Sociology AS level and Year 1 A level (for first teaching from September 2015). The book combines sociological rigour and accessibility in a way unrivalled by any other book at this level. As always, the book fully covers the AQA specifications, using these as a springboard to develop readers' sociological skills and understanding. The fifth edition includes: up-to-date discussions of a wide range of recent sociological data and debates practice questions on every specification topic a special chapter on the compulsory 'Education with Methods in Context' requirement of the

specifications full-colour photographs, diagrams and cartoons, to bring ideas to life and fire students' imaginations a dedicated website at www.politybooks.com/browne, with resources for teachers and additional material designed to help students revise or research themes in the book. Key sociological terms are systematically highlighted throughout the text and are included in a comprehensive glossary, with questions and activities incorporated throughout to develop and test students' understanding further. Pitched at the right level for the new AQA Sociology specifications, the book provides the tools necessary to help students, whatever their needs, interests and abilities. Together with the accompanying Sociology for AQA Volume 2, this is an invaluable resource for success in sociology.

This fifth edition of *An Introduction to Sociology* provides an accessible and engaging introduction to sociology, without oversimplifying or passing over the important and exciting insights sociology has to offer. Building on the book's existing achievements, Ken Browne has restructured the fifth edition to focus on the core issues in sociology considered in introductory courses. The book covers all the topics and options specified by the GCSE and IGCSE examining boards, including the required classic texts and theoretical perspectives which are helpfully applied throughout the chapters. The new edition has been completely updated to reflect contemporary social changes, including the latest statistics and topical illustrative examples. New material is to be found throughout, such as more extensive treatment of family and household diversity, the marketization of education, social inequality, the control and prevention of crime, and the effects of new media technologies. Carefully designed to support and extend students' learning, a number of features – such as a range of activities, questions and discussion points – add to the book's value as a learning and teaching resource. Explanatory graphics, photographs and cartoons also enliven the text, presenting sociology as an exciting and relevant topic to students of

Where To Download Ken Browne Sociology

all ages, interests and abilities. The new edition of this highly successful textbook will prove invaluable to anyone first approaching sociology, especially on Access, GCSE and related courses. Students will find the book provides an easy-to-follow and thoughtful introduction to studying sociology.

Thoroughly revised and fully updated, *An Introduction to Sociology* gives concise yet comprehensive coverage of all the topics specified by the GCSE examining boards. The second edition was described by the AQA's Chief Examiner for GCSE Sociology as establishing 'the standard for textbooks at this level' – this new edition builds on the book's existing achievements. New material is found throughout the book, including substantive new sections on gender, identity, citizenship, education, new social movements, poverty and the welfare state, religion, the mass media, work and leisure, and population. The book has been carefully designed to support and extend students' learning. Each chapter begins with a summary of the key issues to be covered, and goes on to highlight important terms, which are then explained in a clear glossary. Summaries at the end of each chapter, a lively range of new activities and discussion points, the use of websites, as well as helpful suggestions for coursework, all add to the book's value as a learning and teaching resource. Student-friendly cartoons, tables, diagrams, and photographs – and the re-designed internal lay-out – also enliven the text, making sociology seem exciting and relevant to students of all interests and abilities. The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course, especially at GCSE and related levels. Students taking AS and A-level – as well as Access, nursing, and health and social care courses – will also find the book provides an easy and fun introduction to studying sociology.

The second edition of Ken Browne's highly successful *Introducing Sociology* for AS-level provides

Where To Download Ken Browne Sociology

in-depth and up-to-date coverage of the complete specification for AQA AS-level sociology. The first edition of this book was widely praised for its comprehensive coverage, and student-friendly style. In this second edition, all of the chapters have been revised to include new studies, reports and statistics. Key sociological terms are now systematically highlighted all the way through the book, and included in a comprehensive glossary, with fresh questions and activities added to develop and test students' understanding further. Fuller consideration of issues of identity has been given throughout the text. More detailed advice has been provided on coursework, including a top-mark example to show students exactly what they have to do to achieve the highest grades. What's more, two authentic exam questions are now included on every topic. Pitched at exactly the right level for AS sociology, the book provides all the tools necessary to help students achieve top grades, and a sound basis for progression to A2. A host of cartoons, photographs, graphs, tables, and spider diagrams help to enliven the text, as well as reinforcing key issues. Web sites and web-based activities are included throughout, encouraging students to engage with the most recent social changes, and developments in sociology. Although it assumes no previous knowledge of sociology, its dedicated and in-depth coverage of all the AQA's AS topics provides a useful reference tool for the synoptic elements at A2. The second edition of *Introducing Sociology for AS Level* combines sociological rigour and accessibility in a way unrivalled by any other book at this level. It will be an invaluable resource to anyone following the AQA specifications.

This new textbook has been designed to accompany Ken Browne's widely-used *Sociology for AS AQA*. Ken Browne has teamed up with co-authors Jonathan Blundell, Pamela Law and Margaret Whalley who have a wealth of classroom experience and all share a passion for teaching sociology. In

Where To Download Ken Browne Sociology

this book they combine sociological rigour and accessibility for final-year A-level students. This exciting, full-colour textbook includes: chapters on each topic covered in the A2 specification; special sections on research methods in the chapter on crime and deviance, and stratification and differentiation; up-to-date discussions of a wide range of recent sociological data and debates; lots of colour photographs and diagrams to bring ideas to life and fire students' imaginations; a dedicated website, including resources for teachers and additional material designed to help students revise or research themes in the book. Key sociological terms are systematically highlighted throughout the text and are included in a comprehensive glossary, with thoughtful questions and activities at important points within the chapters to develop and test students' understanding further. Exam style questions are also found in every chapter. Pitched at exactly the right level for the new AQA A2 sociology specification, the book provides all the tools necessary to help students achieve top grades and encourage them to take their study of sociology further, whatever their needs, interests and abilities. You can also find pointers to new contemporary resources for both AS and A2 Sociology by following @BrowneKen on Twitter.
