La Forma Dell'acqua The Shape Of Water

La forma dell'acqua – The Shape of Water è una storia diversa da qualsiasi cosa abbiamo letto o visto finora. Una storia unica, creata e interpretata da due artisti capaci di farci sognare in ugual misura con un libro e con un film, con le parole e con le immagini.

IL ROMANZO CHE HA ISPIRATO IL FILM VINCITORE DEL LEONE D'ORO E DI 4 OSCAR «Dal talento visionario di Guillermo Del Toro e Daniel Kraus, una favola dark, spaventosa e romantica.» D - La Repubblica - Eva Grippa «Dal talento visionario di Guillermo del Toro e Daniel Kraus, una favola dark, spaventosa e romantica.» D - la Repubblica Guillermo del Toro e Daniel Kraus hanno unito i loro talenti di narratori visionari e celebrati in tutto il mondo dando vita a una storia d'amore tormentata e struggente. Baltimora, 1962. Al Centro di Ricerca Aerospaziale di Occam è stata appena consegnata la «risorsa»

più delicata e preziosa che abbia mai ricevuto: un uomo anfibio, catturato in Amazzonia. Il suo arrivo segna anche l'inizio di un commovente rapporto tra la singolare creatura ed Elisa, una donna muta che lavora al centro come addetta alle pulizie e usa il linguaggio dei segni per comunicare. Immaginazione, paura e romanticismo si mescolano in una storia d'amore avvincente, arricchita dalle illustrazioni di James Jean e destinata a conquistare lettori e spettatori. La forma dell'acqua – The Shape of Water è una storia diversa da qualsiasi cosa abbiamo letto o visto finora. Una storia unica, creata e interpretata da due artisti capaci di farci sognare in ugual misura con un libro e con un film, con le parole e con le immagini.

It is 1962, and Elisa Esposito-mute her whole life, orphaned as a child-is struggling with her humdrum existence as a janitor working the graveyard shift at Baltimore's Occam Aerospace Research Center. Were it not for Zelda, a protective coworker, and Giles, her loving neighbor, she doesn't know how she'd make it through the day. Then, one fateful night, she sees something she was never meant to see, the Center's most sensitive asset ever: an amphibious man, captured in the Amazon, to be studied for Cold War advancements. The creature is terrifying but also magnificent, capable of language and of understanding emotions... and Elisa can't keep away. Using sign language, the two learn to communicate. Soon, affection turns into love, and the creature becomes Elisa's sole reason to live. But outside forces are pressing in. Richard Strickland, the obsessed soldier who tracked the asset through the Amazon, wants nothing more than to dissect it before the Russians get a chance to steal it. Elisa has no choice but to risk everything to save her beloved. With the help of Zelda and Giles, Elisa hatches a plan to break out the creature. But Strickland is on to them. And the Russians are, indeed, coming. Developed from the ground up as a bold two-tiered release-one story interpreted by two artists in the independent mediums of literature and film-The Shape of Water is unlike anything you've ever read or seen.

The Cambridge Companion to the Italian Novel provides a broad ranging introduction to the major trends in the development of the Italian novel from its early modern origin to the contemporary era. Contributions cover a wide range of topics including the theory of the novel in Italy, the historical novel, realism, modernism, postmodernism, neorealism, and film and the novel. The contributors are distinguished scholars from the United Kingdom, the United States, Italy, and Australia. Novelists examined include some of the most influential and important of the twentieth century inside and outside Italy: Luigi Pirandello, Primo Levi, Umberto Eco and Italo Calvino. This is a unique examination of the Italian Novel, and will prove invaluable to students and specialists alike. Readers will gain a keen sense of the vitality of the Italian novel throughout its history and a clear picture of the debates and criticism that have surrounded its development.

This is the first comprehensive reference work in English dedicated to the writing of world-famous Italian mystery writer Andrea Camilleri. It includes entries on plots, characters, dates, literary motifs, and themes from the bestselling author's detective stories and television crime dramas, with special attention given to the serialized policeman Inspector Salvo Montalbano, Camilleri's most famous character. It also equips the reader with background information on Camilleri's life and career and provides a guide to the writings of reviewers and critics.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* *The Shape of Water* is the first book in the sly, witty, and engaging Inspector Montalbano mystery series with its sardonic take on Sicilian life. Silvio Lupanello, a big-shot in Vigàta, is found dead in his car with his pants around his knees. The car happens to be parked in a part of town used by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter Inspector Salvo Montalbano, Vigàta's most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano battles against the powerful and corrupt who are determined to block his path to the real killer. Andrea Camilleri's novels starring Inspector Montalbano have become an international sensation and have been translated into numerous languages.

With its physical beauty and kaleidoscopic cultural background, Sicily has long been a source of inspiration for filmmakers. Twelve new essays by international scholars--and additional writings from directors Roberta Torre, Giovanna Taviani, and Costanza Quatriglio--seek to offset the near-absence of scholarship focusing on the relationship between the Mediterranean island and cinema. Touching on class relations, immigration, gender and poverty, the essays examine how Sicily is depicted in fiction, satire and documentaries. Situated between North and South, East and West, innovation and tradition, authenticity and displacement, Sicily acts as a microcosm of the world, a place to explore numerous narratives and develop intercultural dialogue. It is also the center of cinematographic discussions and events such as the Taormina Film Festival and the SalinaDocFest. The volume presents Sicily almost as a character and creator in its own right.

The present volume is the first study in the English language to focus specifically on Italian crime fiction, weaving together a historical perspective and a thematic approach, with a particular focus on the representation of space, especially city space, gender, and the tradition of impegno, the social and political engagement which characterised the Italian cultural and literary scene in the postwar period. The 8 chapters in this volume explore the distinctive features of the Italian tradition from the 1930s to the present, by focusing on a wide range of detective and crime novels by selected Italian writers, some of whom have an established international reputation, such as C. E. Gadda, L. Sciascia and U. Eco, whilst others may be relatively unknown, such as the new generation of crime writers of the Bologna school and Italian women crime writers. Each chapter examines a specific period, movement or group of writers, as well as engaging with broader debates over the contribution crime fiction makes more generally to contemporary Italian and European culture. The editor and contributors of this volume argue strongly in favour of reinstating crime fiction within the canon of Italian modern literature by presenting this once marginalised literary genre as a body of works which, when viewed without the artificial distinction between high and popular literature, shows a remarkable insight into Italy's postwar history, tracking its societal and political troubles and changes as well as often also engaging with metaphorical and philosophical notions of right or wrong, evil, redemption, and the search of the self.

Makes the case for a distinctly Sicilian American literature. In *The Heart and the Island*, Chiara Mazzucchelli explores the strong bond between Sicilian American writers and the island of Sicily. Self-contained yet connected to the mainland, geographically separated from yet politically united to the rest of Italy, Sicily occupies a unique position. Throughout the twentieth century, the sense of a distinct sicilianità—or

Sicilianness—has manifested itself in a corpus of texts that, although subsumed under the broader context of Italian literature, have distinguished themselves as examples of an exquisitely Sicilian literary experience. Mazzucchelli argues that a parallel phenomenon—sicilianamericanità—has emerged in the United States. Focusing on the island's geography, history, and culture, she examines how many American authors of Sicilian descent derive inspiration from their ethnic milieu and lay out a recognizable set of Sicilian culture markers in their works, thereby producing a literature that is distinctly Sicilian American. Drawing on both Italian and Italian American scholarship, *The Heart and the Island* is the first full-length study of Sicilian American literature, and it opens a space for new interdisciplinary discussions on what it means to be Italian on both sides of the ocean. “*The Heart and the Island* makes a distinctive contribution to the field of Italian American studies, provocatively extending it as well as continuing the invaluable work of providing reflection on a variety of narratives distinguished by generic innovation and distinctive responses to sicilianità. Chiara Mazzucchelli has beautifully advanced the field, interweaving with skill and poise the voices of Sicilian and Sicilian American writers.” — Mary Jo Bona, author of *By the Breath of Their Mouths: Narratives of Resistance in Italian America*

For most of the twentieth century, the private eye dominated crime fiction and film, a lone figure fighting for justice, often in opposition to the official representatives of law and order. More recently, however, the police have begun to take centre stage – as exemplified by the runaway success of TV police procedurals like *Law and Order*. In *Crime Uncovered: Detective*, Barry Forshaw offers an exploration of some of the most influential and popular fictional police detectives in the history of the genre. Taking readers into the worlds of such beloved authors as P. D. James, Henning Mankell, Jo Nesbø, Ian Rankin and Håkan Nesser, this book zeroes in on the characteristics that define the iconic characters they created, discussing how they relate to their national and social settings, questions of class, and to the criminals they relentlessly pursue. Showing how the role of the authority figure has changed – and how each of these writers creates characters who work both within and against the strictures of official investigations – the book shows how creators cleverly subvert expectations of both police procedure and the crime genre itself. Written by a leading expert in the field and drawn from interviews with the featured authors, *Crime Uncovered: Detective* will thrill the countless fans of Inspector Rebus, Harry Hole, Adam Dalgliesh and the other enduring police detectives who define the genre.
