~~Here are a few tips and suggestions to properly use a new laptop ' s battery: Tip 1: Always Drain Out the Battery Charge Before First use. Before you start using the brand new laptop, switch it on and let the battery drain out completely. Do not plug in the AC Power yet, let the laptop run only in battery power till the charge is completely exhausted. It ' s advised to repeat the procedure as often as possible, to ensure that the containing battery power is flushed out periodically.~~
