A complete guide to literary terms. Although designed primarily for students of literary theory, the book should also be of use to students in other disciplines, from film theory to philosophy, as well as for the general reader.

In 1916, a girl named Lily was born into a working class family in Duns, in the Borders region of Scotland. She became determined to escape, both from the small-town gossip and from her terrifying mother, who thought Lily was born only to serve. Lily could not have predicted that her flight would eventually lead her to the heart of the Scottish establishment. Her eccentric and at times self-destructive nature shaped every decision she made, and her life became increasingly rickety. In 1975, living in Edinburgh as a self-styled dealer in porcelain dolls, with two failed marriages and four sons (one adopted) to her name, not to mention posts as a housekeeper and a boarding house owner, she met Randolph Stewart, the future 13th Earl of Galloway. On the surface, Randolph's aristocratic childhood could not have seemed more different. His was a world of great privilege, emotional restraint and overwhelming expectation. As an adolescent he had been diagnosed with schizophrenia and, as a young man, lobotomised. Much of the rest of his life had been spent hidden away, either in a mental institution or with a religious order of monks. But a curious bond formed between Lily and Randolph, and an even more curious marriage followed, beginning a deep family feud that was played out in newspaper headlines.

Alphabetically arranged and followed by an index of terms at the end, this handy reference of literary terms is bound to be of invaluable assistance to any student of English literature.

John Cornwell evokes a vanished time and way of life in this moving and, at times, troubling memoir of an adolescence spent in the isolated all-male world of the seminary. Born into a destitute family with a dominating Irish-Catholic mother and an absconding father during World War II in London, John Cornwell's childhood was deeply dysfunctional. When he was thirteen years old he was sent to Cotton College, a remote seminary for boys in the West Midlands countryside. For the next five years Cornwell lived under an austere monastic regime as he wrestled with his emotional and spiritual demons. In the hothouse atmosphere of the seminary he strove to find stable, loving friendships among his fellows and fatherly support from the priests, one of whom proved to be a sexual predator. The wild countryside around the seminary, the moving power of church ritual and music, and a charismatic priest enabled him to persevere. But while normal teenagers were being swept up by the rock 'n' roll era, Cornwell and his fellow seminarians continued to be emotionally and socially repressed. Secret romantic attachments between seminarians were not uncommon; on visits home they were overwhelmed by the powerful attractions of the emerging youth culture of the 1950s. But when they returned to Cotton College, the boys were once again governed by the age-old traditions and disciplines of seminary life. And like many young seminarians, Cornwell struggled with a natural adolescent rebelliousness, which in one crucial instance provoked a crisis that would eventually lead to his decision to abandon his dream of becoming a priest. Written with tremendous warmth and humor, *Seminary Boy* is a truly unforgettable memoir and a penetrating glimpse into the hidden world of seminary life.

This condensed, six-text edition of the DP English Student Workbook presents a range of student centered activities designed to scaffold the process of literary analysis. All activities presented are directly based on the objectives and assessment criteria from the IB Diploma Programme Language A English courses. The DP English Student Workbook: systematically introduces the language of literary analysis focuses on the students role in the building of connections between parts of texts presents a mix of substantive conversation and focused writing introduces a range of extracts for commentary allows original ideas to be generated in a scaffolded framework The DP English Student Workbook is designed to help students collect and organize their ideas about texts for the full two year period of the DP Language A course. The skills targeted in this Workbook will enable students to analyze, in a critical manner, familiar and unfamiliar texts well after they leave our schools and it is in this spirit of lifelong learning that the activities have been presented. A further resource, DP English Student Workbook: Teacher Support Materials, is also available to assist both teachers and students scaffold the process of literary analysis presented in this workbook.

How long do humans have left on Earth? Using cutting-edge science that revolutionises our understanding of evolution, Michael Boulter explains how we may be closer to our own extinction than we imagined.

The HarperCollins Spanish College Dictionary is a standout -- you're holding the best buy on the shelf in your hands right now. Here's why: Easiest to use: The clear two-color layout allows maximum ease of access and enables effective communication for educational, business, and traveling purposes. Usage levels are indicated throughout, with extensive examples to illustrate how words are used in context. A system of style labels identifies whether a word is formal, informal, literary, vulgar, dated, or euphemistic. In addition, specific meanings are clearly marked to guide the user to the correct treatment. The text also includes pronunciations of all English words using the International Phonetic Alphabet, with a full guide to Spanish pronunciation and phonetics for difficult words. Consistently updated: The HarperCollins Spanish College Dictionary offers fully updated coverage of both Spanish and English, including business, technological, and cultural terms and extensive coverage of Latin-American usage. "Spanish in Action" supplement: This offers invaluable advice on how to express yourself in correct and idiomatic Spanish, as well as in-depth coverage of Spanish life and culture. Here's a sampling of the new terms this edition includes: *amartizaje* Mars landing *armas de destrucción masiva* weapons of mass destruction *cliqueable* clickable *correo web* Web mail *dinero electrónico* electronic money *efectos colaterales* collateral damage *fondo de escritorio* desktop wallpaper *neumonía asiática* SARS *telerealidad* reality TV

"Many of Bob Dylan's most well-known works date from the 1960s. This book explores the unthreading of ideas about masculinity, femininity, sexuality, and identity through the lens of some of Dylan's most popular love songs. The author revealingly employs specific aspects of cultural theory to explore the appeal of Bob Dylan's music"--
