MAKE MONEY IN SHORT-SALE FORECLOSURES Foreclosures are the most profitable way to invest in real estate. But most real estate books on foreclosures don't tell you how to invest in short-sale foreclosures--properties with even more profit potential than regular foreclosures. A short-sale foreclosure is a lender accepting a loan payoff for less than the amount owed. This comprehensive new guide from renowned real estate authors Chantal and Bill Carey covers all the ins and outs of short-sale foreclosure investing, from finding properties to negotiating with lenders, to closing the deal and making a bundle. Inside you'll find all the information you need to succeed: * Finding great short-sale foreclosure deals * Dealing with owners in financial distress * When to buy short-sale foreclosures * Creating equity in foreclosure properties * Writing successful short-sale offers * FHA, VA, and private mortgage insurance short-sales * Purchasing short-sale properties at auction * Understanding escrow, closing, and title insurance * Flipping short-sale properties

On the surface, being a landlord seems pretty simple--you buy property, find renters, and the money rolls in. However, as all too many people have found out, it takes an incredible amount of know-how and hard work in order to be successful at it. *Idiot's Guides: Making Money with Rental Properties* is written by experts who have made the mistakes, learned the lessons, and have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul. Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. In addition, readers will learn what to do when things go wrong, what legal protections they (as well as the tenants) have, and how to do it all without going broke and losing their minds in the process.
