NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(tm) and Mastering(tm) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For Introduction to Management Accounting courses. Managerial accounting taught through real-world business application Managerial Accounting helps readers see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages readers in the content. With new problems, cases, and applications in the 5th Edition, readers receive the most up-to-date information and practice opportunities to prepare them for their future careers in accounting. Also Available with MyLab Accounting MyLab(tm) Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. If you would like to purchase both the loose-leaf version of the text and MyLab Accounting, search for: 0134642090 / 9780134642093 Managerial Accounting, Student Value Edition Plus MyLab Accounting with Pearson eText -- Access Card Package Package consists of: 0134067177 / 9780134067179 Managerial Accounting, Student Value Edition 0134161645 / 9780134161648 MyLab Accounting with Pearson eText -- Access Card -- for Managerial Accounting

For courses in Introduction to Management Accounting This text helps students make the connection between managerial accounting concepts and the businesses they deal with everyday through strong coverage and effective practice. By presenting actual accounting decisions made in companies like Target and J. Crew, the text's precise coverage of the core concepts engages students in the learning process. MyAccountingLab for Managerial Accounting is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators with a dynamic set of tools for gauging individual and class progress. Managerial accounting taught through real-world business application Managerial Accounting helps students see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages students in the content. With new problems, cases, and applications in the 5th Edition, students receive the most up-to-date information and practice opportunities to prepare them for their future careers in accounting.

No prior accounting or business knowledge is needed to successfully complete this book. Accounting 4/E pays very careful attention to making accounting information interesting and relevant to the reader. A number of infographics, worked-out examples, charts, and illustrations visually reinforce material. The book provides insight and step-by-step instructions on how business decision makers use financial statements and other forms of accounting information. It illustrates how to navigate through accounting resources on the web. Emphasizes topics in depth while incorporating new real company examples. For those working within accounting or considering accounting/business profession or even those owning a small business.
