Determined, dedicated, and dogmatic, Martyn Williams is the inspiring number seven lynchpin who has steered club and country to victory in inimitable style. In his action-packed autobiography, he writes about his love for the sport he has made his own. Starting out with hometown team Pontypridd, he made his Wales debut at just 20 and won the Welsh league title with Pontypridd the following year, repeating the feat in his first season after joining Cardiff, whom he went on to captain for three years. Twice a British Lion, his finest hour came as the award-winning role in Wales' Six Nations championship Grand Slam of 2005. But there is far more to Martyn than his seemingly smooth career path from valleys rugby to international stardom. He speaks candidly about the double personal tragedies of losing both his mother and brother to cancer and of the challenges of combining his sports commitments with being a husband and father to his two children. Full of surprises, he also reveals his passion for both American football and soccer. A diehard Liverpool fan, he was a talented center-half himself in his teenage years. He speaks about the controversial departure of Mike Ruddock as coach of the national team, the drinking culture in Welsh rugby in the early years of professionalism, the infamous Battle of Brive, and why he turned down the chance to captain Wales at the 2003 World Cup. He also gives his views on the influx of southern hemisphere coaches like Graham Henry and Steve Hansen, plus the lowdown on how he prepares and trains and what really goes on in the dressing room. With coverage of 2008 RBS Six Nations and revealing portraits of his teammates and opponents, this honest, witty, informative, and entertaining autobiography is a must for fans and any sports lover.

Wales were written off as no-hopers at the start of the 2008 Six Nations. They had failed to reach the World Cup quarter-finals the previous October and had reacted by appointing their 13th coach in 19 years, New Zealander Warren Gatland. On the opening weekend, success appeared unlikely when they trailed World Cup finalists England at Twickenham by ten points at half-time. Their second-half comeback, to earn their first victory at the ground for 20 years, set them on their way, and there was no looking back. In a blistering campaign, they set a new Six Nations record by conceding just two tries in their five matches. The Resurrection Men looks back over the glorious 2008 tournament but also examines the reasons why the foundations laid by Gatland look more secure than those established by Mike Ruddock before his controversial departure from the role less than a year after the side's last Grand Slam triumph in 2005. Wales imploded after Ruddock left, winning only one match in each of the 2006 and 2007 campaigns. His successor Gareth Jenkins asked to be judged on the team's performance in the World Cup. And he was, sacked hours after the defeat to Fiji which meant that, for the third time in five tournaments, Wales failed to make the knock-out stage. Little more than a week later, Welsh Rugby Union officials boarded a plane to New Zealand to meet Gatland and other candidates for head coach. Just two minutes into the meeting, they were ready to offer him the job. He promised them that if Wales won at Twickenham on the opening weekend, the slam would be on. They did and it was.

In every Five Nations D and now Six Nations ð season the real showdown is always that between England and Wales: Wales with its history of playing the finest rugby of all the home nations, England with its enviable strength in depth and forward muscle. Whether in the vast bowl of Twickenham or the cauldron of the Millennium Stadium every year is a sell-out long in advance. Over the years there have been innumerable epic encounters. In the seventies Wales dominated with Barry John, Gareth Edwards at scrum-half and JPR Williams at full back, but England had the blistering running of David Duckham with his blond hair flying. The eighties and nineties saw some incendiary encounters with Paul Ringer and Wade Dooley both involved in high-profile punch-ups, but also England re-establishing dominance and Bill Beaumont and then Will Carling. But the decade ended at Wembley with Scott Gibbs's dramatic last-minute swallow-dive to snatch victory for Wales. More recently Wales have come back with new stars like Gavin Henson and Shane Williams after years of powerhouse England forward play had held sway. Huw Richards has talked to many veterans of these matches, as well as to present players and administrators to tells the whole history of Wales v England at rugby: a contest that is a clash of cultures and histories as well as a titanic sporting occasion. Huw Richards is rugby correspondent of the Financial Times.

Orig Williams, better known as international wrestler El Bandito was a fierce nationalist, a friend of poets, gangsters and psychopathic wrestlers. He was once stoned by a crowd in the packed Lahore Cricket ground in Pakistan and in Turkey, the crowd burnt down the stadium where he'd just finished performing.
