I'm so glad that i got to feature a Miele on this channel. With a transparent door you can look inside the machine and see what laundry is inside. An interior light helps you to see inside the machine. Condenser dryers extract the water from the damp air in the dryer and store it in a container. A really quick cycle can be a great option if you are in a hurry. It also comes with a childproof ...

Established by Congress in 1901, the National Bureau of Standards (NBS), now the National Institute of Standards and Technology (NIST), has a long and distinguished history as the custodian and disseminator of the United States' standards of physical measurement. Having reached its centennial anniversary, the NBS/NIST reflects on and celebrates its first century with this book describing some of its seminal contributions to science and technology. Within these pages are 102 vignettes that describe some of the
