Motivation and Personality by Abraham Maslow - AbeBooks

Psychologist Abraham Maslow (1943, 1954) stated that human motivation is based on people seeking fulfillment and change through personal growth. Self-actualized people are those who were fulfilled and doing all they were capable of.

Maslow's Hierarchy of Needs | Simply Psychology

Psychologist Abraham Maslow first developed his famous theory of individual development and motivation in the 1940's. He suggested that human beings have a hierarchy of needs. That is, that all humans act in a way which will address basic needs, before moving on to satisfy other, so-called higher level needs.

Maslow Motivation Theory | the hierarchy of needs

At the time he wrote Motivation and Personality, Maslow believed that only a tiny percentage of the population was self-actualized, but that these few could change the whole culture. Given the impact of the idea on the 1960s counter-culturalists, a generation that has changed the world in its image, you would have to say Maslow was right.

Abraham Maslow - Motivation and Personality - Tom Butler ...

Maslow was practitioner of humanistic psychology. During his lifetime, he published written works such as Motivation and Personality (1954), and Toward a Psychology of Being (1962). He was influenced by brilliant minds of his time, and he was one of the great contributors to the subject that we are familiar with today.
