When the attempt falls short, Agent 47 is ordered to track down and kill the culprit who is feeding vital information about The Agency to its enemies. Agent 47 must follow a bloody trail halfway around the world, fight his way through the streets of Fez, Morocco, and battle slavers deep inside Chad. Then he will discover a shattering truth: If he fails at his mission, the price he'll pay will be far greater than his own life. . . .
