Domestic Political Explanations: 1) Over-expansion hurts society as a whole but benefits can be concentrated in the hands of a few. The more state power is concentrated in their hands, the more a state will pursue self-defeating aggression. 2) Expansion is used to defuse domestic turmoil because elites benefit from nationalism.

~~Myths Of Empire Domestic Politics And International~~...

It was in his Myths of Empire that Snyder first drew a distinction between offensive and defensive realism. Much of Snyder's work presents challenges to the fundamental assumption of democratic peace theory: that democracies do not go to war with each other and that, therefore, democratization leads to a reduction in interstate conflict.
