Size definitely matters. I've wanted Fiona for years, but good intentions had me staying away. I'd always seen her as mine, and was pretty damn satisfied when she turned every guy away who came sniffing around her. And it was because of my carnal need for her that I didn't touch another woman, that I stayed celibate for Fiona. When it came to her I was possessive, territorial. I didn't just want her in my bed. I wanted her as mine. Branded by me ... bred by me. And one way or another I'd have her ... as my wife and filled with my baby. Warning: This might be a safe read with a celibate hero and a virgin heroine, but it's over-the-top filthy in the best baby-making of ways. Grab a contraceptive because reading this might get you pregnant. *wink*

TEX There was only one woman I wanted, and I'd been secretly lusting after her for years. My sister's friend. That first time I saw Calissa was like a right hook to the face, taking me down until there was nothing left. She was my world. She's too young for me, too innocent, but that won't stop me from making her mine. There's no stopping it, no controlling this possessive, primal need to claim her. I'd have Calissa no matter what, as my woman, my wife ... with my baby inside of her. CALISSA It was a forbidden desire to want your best friend's older brother, but it was my reality. Tex was big and strong and a successful owner of a security company. He was definitely all man. I'd thought he'd never see me as anything more than his sister's friend. How wrong I was. No more longing gazes or fantasies that we were together. He knew what he wanted out of life and apparently that was me ... pregnant with his child. Warning: This hero really knows what he wants and that's the heroine and getting her knocked up! But no worries, this story is still sweet-even if it is filthy-and you still get that Happily Ever After.

Are You POGI ... in God ' s eyes? Many single men today are searching for their “ God ' s Best, ” or one true love. But very few men are preparing themselves to be “ God ' s Best ” to whomever God is leading them to choose or court. Real Men are POGI by award-winning, best-selling author Ardy Roberto helps single (and even married) men become God ' s Best for their own “ God ' s Best ” by encouraging them to be POGI men—by pursuing a life of PURITY, OBEDIENCE, GENTLENESS, and INTENSITY. So let ' s get started! Join in on the POGI generation of Handsome Men in God ' s eyes!

INSTANT #1 NEW YORK TIMES BESTSELLER PARADE MAGAZINE – ONE OF FALL'S MOST ANTICIPATED BOOKS AARP'S MOST ANTICIPATED BOOKS OF FALL CRIMEREADS – ONE OF THE BEST TRADITIONAL MYSTERIES OF THE YEAR GLOBE AND MAIL - TOP 100 BOOKS OF THE YEAR CHRISTIAN SCIENCE MONITOR - ONE OF THE BEST NOVELS OF THE YEAR KIRKUS REVIEWS - ONE OF THE BEST MYSTERIES/THRILLERS OF THE YEAR LIBRARY JOURNAL - ONE OF THE BEST CRIME FICTION BOOKS OF THE YEAR The 16th novel by #1 bestselling author Louise Penny finds Chief Inspector Armand Gamache of the Sûreté du Québec investigating a sinister plot in the City of Light On their first night in Paris, the Gamaches gather as a family for a bistro dinner with Armand's godfather, the billionaire Stephen Horowitz. Walking home together after the meal, they watch in horror as Stephen is knocked down and critically injured in what Gamache knows is no accident, but a deliberate attempt on the elderly man's life. When a strange key is found in Stephen's possession it sends Armand, his wife Reine-Marie, and his former second-in-command at the Sûreté, Jean-Guy Beauvoir, from the top of the Tour d'Eiffel, to the bowels of the Paris Archives, from luxury hotels to odd, coded, works of art. It sends them deep into the secrets Armand's godfather has kept for decades. A gruesome discovery in Stephen's Paris apartment makes it clear the secrets are more rancid, the danger far greater and more imminent, than they realized. Soon the whole family is caught up in a web of lies and deceit. In order to find the truth, Gamache will have to decide whether he can trust his friends, his colleagues, his instincts, his own past. His own family. For even the City of Light casts long shadows. And in that darkness devils hide.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Daphne doesn't want commitment, she wants me as her BILF. She may be a romance author but this mountain man believes in happily-ever-afters too. I don't do flings, I do forever. My beard may be the thing that gets her to open up—literally—but I'm falling for her heart and soul. And I plan on making sure she knows that our story isn't going to end any time soon. Dear Reader, It may be the middle of winter, but it's time to lower the thermostat! This steamy read is gonna get you all hot and bothered! #SaveAHorseRideABeard #BeardsAreTheNewSixPack #HisBeardMadeMeDoIt #BeardedForHerPleasure xo, frankie

"If you're looking for an easy charmer, this is the novel for you."—Shondaland When their foster-turned-adoptive mother suddenly dies, four brothers struggle to keep open the doors of her beloved Harlem knitting shop. Jesse Strong is known for two things: his devotion to his adoptive mom, Mama Joy, and his reputation for breaking hearts. When Mama Joy unexpectedly passes away, he and his brothers have different plans for what to do with Strong Knits, their neighborhood knitting store. Jesse wants to keep the store open. His brothers want to tie off loose ends and close shop.... Part-time shop employee Kerry Fuller has kept her crush on Jesse a secret. When she overhears his impassioned plea to his brothers to keep the knitting shop open, she volunteers to help. Unlike Jesse, Kerry knows the “knitty-gritty” of the business, and together they make plans to reinvent Strong Knits for a new generation. But the more time they spend together, the stronger the chemistry builds between them. Kerry, knowing Jesse's history, doesn't believe their relationship can last longer than she can knit one, purl two. But Jesse is determined to prove to her that he can be the man for her forever and always. After all, real men knit.

He'll show her exactly what's under his kilt. MOLLY The first time I saw Mr. McGowan, he was walking into our class wearing a kilt. Our substitute professor, he was big and brooding, masculine, and had a sexy Scottish brogue going on. Maybe I didn't need that extra tutoring, but I sure as hell wanted it. ALASTAIR I noticed Molly the moment I stepped into the classroom. She was the wee lass with the fire-colored hair, the intense green eyes, and a body that had me burning alive. I didn't want to look away from her because I knew she was mine. Maybe there was a rule about staff not fraternizing with students. But given that I'm just the substitute professor, and that I wanted her like a fiend, I was about to cross some lines and break some rules. Warning: You ever wonder what's under a man's kilt? Well, this story won't leave you in the dark. It's short, of course filthy, and has a Scottish hero with a sexy brogue. He only has eyes for his heroine, and will teach her a thing or two about how good it can feel to get dirty.

*All books in the Real Man series can be read as standalone titles.*They called him Big for more than one reason.BigI had everything I could want in life. My own career, a house with property, and respect in my community.But what I didn't have was her.Landry. Owner of the town's cleaning service.For five long years, I'd pined after her. I watched her from afar, thought only about her, hell, fantasized about Landry when I was alone. And for five years, I'd stayed celibate, because Landry was the only woman I wanted in my life in every way.My self-control when it came to her should have won me a medal, but that tightly reined in desire had slipped and I was done holding myself back.So I told her I needed her help-her talents in making my place livable. What she didn't know was it was just to get her to my place, to tell her, show her she was always meant to be mine.LandryWhen I realized it was Big who wanted my services, I didn't know if I could go through with it. I loved him, had for years, but I was inexperienced in all things romantic, so being honest and just telling him how I felt wasn't an option.But when I found myself in his home... with him watching me, I knew I'd fail miserably at trying to act like I didn't want him.And when things come on hard and fast, I know there's no going back. I'm about to give Big every part of myself, including my virginity, but then again, I know that's what he wants.Me, in his life, as his. Forever.

The nail that sticks out farthest gets hammered the hardest. Flint Southwestern High School is run by a cult: the jockarchy. And Bret Hendricks could never fit into their conformity cult. Bret doesn't mind standing out from the crowd when he's on stage acting or singing in his band. And he feels at home in his funky girlfriend's arms because sticking out together doesn't seem as hard. But loyalties aren't what Bret thinks they are, as his safe havens seem to disappear one by one, and he learns that sometimes you just have to risk getting hammered in order to build a great future. For any teen who feels that standing out is harder than just conforming. Patrick Jones's second novel nails the real truth about the high price of hiding one's true self.
