World War I has come down to us in indelible images--those of airplane bombers, bleak-eyed soldiers, stern-faced commanders, and the ruins of countless villages. But soldiers themselves also took photographs on the battlefield, and many of their striking images were transformed into postcards that were sent home to family and friends or collected as war mementos. Industry Reviews. For both Trenches and Russian Revolution: With introductions by historian Andrew Roberts, these attractive books will interest the casual reader and bear close inspection by the specialist. Viewed from the angle of their postcards, the Russina Revolution and World War I become accessible and multifaceted on a human level, allowing readers a glimpse into aspects of those ...

Postcards from the Trenches, Images from the First World ...

There are a few good images but most are bland. I've started collecting WWI postcards in the last year and even I own some found in the book. There are no German postcards at all--and they produced the best ones! Wait for Postcards From the Trenches to hit the bargain table, then buy it for the handful of images that make it worth owning.

Amazon.com: Customer reviews: Postcards from the Trenches ...

Image #3 The German postcard (Image #3) is a real photo, printed directly onto a blank card pre-marked with message and address lines. This was a common technique for sending personal photographs to loved ones, and was probably taken by an enterprising photographer, wandering among the holiday makers.
