**LAMBDA LITERARY AWARD FINALIST** A transgender reporter's "powerful, profoundly moving" narrative tour through the surprisingly vibrant queer communities sprouting up in red states (New York Times Book Review), offering a vision of a stronger, more humane America. Ten years ago, Samantha Allen was a suit-and-tie-wearing Mormon missionary. Now she's a GLAAD Award-winning journalist happily married to another woman. A lot in her life has changed, but what hasn't changed is her deep love of Red State America, and of queer people who stay in so-called "flyover country" rather than moving to the liberal coasts. In Real Queer America, Allen takes us on a cross-country road-trip stretching all the way from Provo, Utah to the Rio Grande Valley to the Bible Belt to the Deep South. Her motto for the trip: "Something gay every day." Making pit stops at drag shows, political rallies, and hubs of queer life across the heartland, she introduces us to scores of extraordinary LGBT people working for change, from the first openly transgender mayor in Texas history to the manager of the only queer night club in Bloomington, Indiana, and many more. Capturing profound cultural shifts underway in unexpected places and revealing a national network of chosen family fighting for a better world, Real Queer America is a treasure trove of uplifting stories and a much-needed source of hope and inspiration in these divided times.

Joseph is released from prison to become an advisor to the Pharaoh and is able to protect and provide for his family when they come to Egypt to buy food.

The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's Love Signs addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is "related" to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

The New York Times–bestselling author's classic guide to astrology: "What makes Sun Signs different is that much of the writing is done with humor" (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman's Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman's Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book's simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

Conceived to provide a bone marrow match for her leukemia-stricken sister, teenage Kate begins to question her moral obligations in light of countless medical procedures and decides to fight for the right to make decisions about her own body.

Even quaint and cozy English villages have a dark side . . . Location scout and Jane Austen aficionado, Kate Sharp, is thrilled when the company she works for lands the job of finding locations for a new film adaptation of Pride and Prejudice, but then her boss fails to return from a scouting trip to England. Kate travels to England to salvage the company's reputation. Things go from bad to worse when Kate arrives in Nether Woodsmoor, a quaint village of golden stone cottages and rolling green hills, only to find no trace of her boss. Even the rumbled, easygoing local scout they consulted, Alex, doesn't know where he might be. Increasingly worried about her boss and with an antsy director waiting for updates about the preproduction details, Kate embarks on a search that includes a pub-crawl and cozy cottages as well as stately country manors. But with no sign of her boss, she begins to suspect that the picturesque village and beautiful countryside may not be as idyllic as they seem. **Death in the English Countryside is the first installment of the popular Murder on Location cozy mystery series from USA Today bestseller Sara Rosett. MURDER ON LOCATION SERIES: Book One - Death in the English Countryside Book Two - Death in an English Cottage Book Three - Death in a Stately Home Book Four - Death in an Elegant City Book Five - Menace at the Christmas Market (Novella) Book Six - Death in an English Garden Book Seven - Death at an English Wedding** Have you read Sara Rosett's other mystery series? If you like historical mysteries with lady detectives, check out the **HIGH SOCIETY LADY DETECTIVE** mystery series. The complete book list can be found at: sararosett.com/high-society-lady-detective-mystery-series/ If you like travel with your mystery, check out the **ON THE RUN INTERNATIONAL MYSTERIES**. The complete book list can be found at: <http://sararosett.com/on-the-run-mystery-series/>

Backland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterpiece by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of Magical Rites from the Crystal Well "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic. . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of The Mists of Avalon "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of The Craft
