The Revolution and the Civil War in Spain remains one of the most cogent histories of events in Spain between 1936 and 1939. In the first part of the book the great Marxist historian Pierre Broué deals with the social revolution and political evolution of the Republican zone. At the time the book was originally published in French in 1961 most histories barely mentioned the social revolution that swept half of Spain in 1936.

Revolution and war in Spain in 1936 - a battle that could ...

An account of the Spanish Revolution and the Civil War mostly from the radical left perspective of the Republican side: anarcho-syndicalists, socialists, communists. It treats the liberals, and fascists only insofar as to make the events comprehensible to the reader.

The Revolution And The Civil War In Spain by Pierre Broué

The Spanish Revolution was a workers' social revolution that began during the outbreak of

Read Online Revolution And War In Spain 1931 1939

the Spanish Civil War in 1936 and resulted in the widespread implementation of anarchist and more broadly libertarian socialist organizational principles throughout various portions of the country for two to three years, primarily Catalonia, Aragon, Andalusia, and parts of the Valencian Community.

Spanish Revolution of 1936 - Wikipedia

Spain's involvement in the American Revolutionary War was widely regarded as a successful one. The Spanish took a gamble in entering the war, banking on Great Britain's

bloody civil war ensued, fought with great ferocity on both sides.

Spanish Civil War | Definition, Causes, Summary, & Facts ...

War and revolution against Napoleon's occupation led to the Spanish Constitution of 1812, promulgated by the Cortes of Cádiz, later a cornerstone of European liberalism. The burden of war destroyed the social and economic fabric of Portugal and Spain, and ushered in an era of social turbulence, increased political instability, and economic stagnation.

By 10 July, Spain also decided to make peace, recognizing the revolutionary government and ceding the territory of Santo Domingo, but returning to the pre-war borders in Europe. This left the armies on the Pyrenees free to march east and reinforce the armies on the Alps , and the combined army overran Piedmont

.

This collection of essays constitutes a magnificent monument to recent scholarship on the Second Republic and the Civil War. It is indispensable for a full understanding of the period.' - Raymond Carr

This book analyses the processes of revolution and state reconstruction that took place in the Republican zone during the Spanish civil war. It focuses on the radical

Read Online Revolution And War In Spain 1931 1939

anarchists who sought to advance the revolutionary agenda. Their activity came into conflict with the leaders of the libertarian organisations committed to the reconstruction of the Republican state following its near collapse in July 1936. This process implied participation not only in the organs of governance but also in the ideological reconstitution of the Republic as a patriarchal and national entity. Using original sources, the book shows that the opposition to this process was both broader and more ideologically consistent than has hitherto been assumed, and that, in spite of

Read Online Revolution And War In Spain 1931 1939

its heterogeneity, it united around a common revolutionary programme. This resistance to state reconstruction was informed by the essential insight of anarchism: that the function and purpose of the modern state cannot be transformed from within. By situating the struggles of the radical anarchists within the contested process of state reconstruction, the book affirms the continued relevance of this insight to the study of the Spanish revolution.

An outstanding history that shows how a promising workers' movement ended in a

Read Online Revolution And War In Spain 1931 1939

fascist victory. What emerges most clearly in this detailed and long out of print history, is how the popular front held back radical measures that would have galvanised the working class and peasant base of the revolution, and decisively weakened Franco's forces. Author Pierre Broue was for many years a professor of contemporary history at the Institut d'Etudes politiques in Grenoble, and was a world-renowned specialist on the Communist and international workers' movements.

The definitive work on the Spanish Civil War,

Read Online Revolution And War In Spain 1931 1939

a classic of modern historical scholarship
and a masterful narrative.

Between 1936 and 1939, the Spanish Civil War showcased anarchism to the world. News of the revolution in Spain energised a moribund international anarchist movement, and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines. Those that stayed at home set up groups and newspapers to send money, weapons and solidarity to their Spanish comrades. This book charts this little-known phenomenon through a

Read Online Revolution And War In Spain 1931 1939

transnational case study of anarchists from Britain, Ireland and the United States, using a thematic approach to place their efforts in the wider context of the civil war, the anarchist movement and the international left.

This work analyses the Spanish experience of the First World War in terms of the general crisis in Europe at this time. In Spain, as elsewhere, the impact of four years of devastating conflict resulted in ideological militancy, economic dislocation and social struggle. The author examines the slow decay

Read Online Revolution And War In Spain 1931 1939

of the ruling Liberal Monarchy during the war years, and the failure of the neutrality policy to save the existing regime. He looks at challenges to the Administration from: · the labour movement · the bourgeoisie · the army · international powers Romero shows a politically apathetic population galvanised by the war into fierce debate about belligerence or neutrality. The debate divides the nation and the new political awareness leads to a questioning of the Administrations authority. There is also vast economic and social change, as Spain exploits its privileged position as supplier to both

Read Online Revolution And War In Spain 1931 1939

sides of the war. These factors lead to galloping inflation, civil unrest and political turmoil, finally resulting in the revolutionary strike of 1917.

Though the participation of France in the American Revolution is well established in the historiography, the role of Spain, France's ally, is relatively understudied and underappreciated. Spain's involvement in the conflict formed part of a global struggle between empires and directly influenced the outcome of the clash between Britain and its North American colonists. Following the

Read Online Revolution And War In Spain 1931 1939

establishment of American independence, the Spanish empire became one of the nascent republic's most significant neighbors and, often illicitly, trading partners. Bringing together essays from a range of well-regarded historians, this volume contributes significantly to the international history of the Age of Atlantic Revolutions.

Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

Read Online Revolution And War In Spain 1931 1939

A contemporary account of the revolution and civil war in Spain in the 1930s in which the proletariat, betrayed by its Stalinist' social democratic, and anarchist leaderships, went down to defeat under the blows of an armed fascist movement.

Felix Morrow's book, written in the white heat of the struggle, remains a Marxist classic on the Spanish Civil war. It is one of the clearest accounts produced of the movement of the Spanish masses, describing the events in Catalonia and the role of all those involved. This book contains the text

Read Online Revolution And War In Spain 1931 1939

of Revolution and counter-revolution together with the earlier Civil war in Spain and Ted Grant's 1973 article which provides an overview of the Spanish revolution. This book provides an excellent companion to the writings of Leon Trotsky on this question and deserves to be studied by all class-conscious activists.
