Kiyosaki's "rich dad" (actually, the father of his best friend) tells him the simplest analogy is the game Monopoly: buy four green houses, trade them for one red hotel, and repeat until you become rich. The overall message of Rich Dad's Guide to Investing is that this is an abundant world, full of opportunity for the sophisticated investor. However, it sometimes takes a while to find this point.

Kiyosaki and advocates financial independence primarily through financial literacy and understanding money the way a rich person does. The author argues that the reason why so many poor and middle class people don't become rich is because they simply don't understand money and have values or beliefs that prevent them from getting there, such as "all rich people are greedy".
