ideas of Charles Eisenstein  
and the return of the gift.

About the Book Sacred

Economics traces the history  
of money from ancient gift  
economies to modern  
capitalism, revealing how  
the money system has  
contributed to alienation,  
competition, and scarcity,  
destroyed community, and  
necessitated endless growth.

Contributed to alienation,  
competition, and scarcity,  
destroyed community, and  
necessitated endless growth.  
Today, these trends have  
reached their extreme—but in  
the wake of their collapse,  
we may find great  
opportunity to transition to  
a more connected,  
ecological, and sustainable  
way of being.

I mentioned that monetary transactions don't create a bond, but gift transactions do. And that's one reason why gifts are sacred, and we understand that a little bit. We make a ritual sometimes out of gift giving. It's a special act, we understand. Primitive societies were all gift economies, if you go back far enough.
