Tech support scams are an industry-wide issue where scammers trick you into paying for unnecessary technical support services. You can help protect yourself from scammers by verifying that the contact is a Microsoft Agent or Microsoft Employee and that the phone number is an official Microsoft global customer service number.

'My primary aim in writing this book is to demonstrate the importance of individual human beings in modern warfare. In the battle to drive the Iraqi army out of Kuwait, Coalition forces used every form of high-technology weapon available; yet in the end success depended on the performance of individuals, whether they were pilots, divers, tank drivers,

mechanics, engineers, cooks, radio operators, infantrymen, nurses or officers of all ranks. It was these ordinary people who, at the end of the day, were going to put their lives on the line and risk their neck when their Government decided to go to war.'Gen. Sir Peter de la Billiere

Desert Storm was a war fought with weapons of a sophistication beyond anything previously seen in battle. This is a chronicle of war from the allied nerve centre, and the portrait of an exceptional commander in action.

A history of modern military command, from the individualist, heroic generals of the twentieth century to the highly-

professionalised command teams of the  
twenty-first. Profiling prominent  
contemporary generals and their staffs,  
King vividly analyses divisional  
headquarters, giving a unique insight into  
the transformation of military command.

This book reexamines the Gulf War.

A precursor to American Sniper or Seal Team Six, *The Commandos* is a heart-pounding look at what it takes to fight alongside the very best of America's armed forces. In *The Commandos*, veteran Pentagon correspondent for Newsweek Douglas Waller gives a behind-the-scenes look at the most secret and elite of clandestine warriors. Offering inside details of the U.S. special operations forces, including Green Berets, Navy SEALs, and Delta Force, Waller reveals the excruciating training and dangerous

The purpose of this book is to provide an account, from the point of view of the U.S. Army forces employed, of the 1990-91 Persian Gulf War, from the invasion Iraqi invasion of Kuwait to the withdrawal of coalition forces from southeastern Iraq ... The book's focus is on the Army's part in this war, particularly the activities of the Headquarters, Third Army, and the Army Forces Central Command (ARCENT). It looks especially at the activities of the VII Corps, which executed ARCENT's main effort in the theater ground force.
