From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

Why buy separate study guides for each nursing course when all you need is one? This is the ultimate, all-in-one study guide to the core information nursing students need for success in all of their foundational courses and on the NCLEX-RN. Written in a succinct, well-organized, easy-to-read format, this affordable guide contains everything an undergraduate nursing student needs to know from the first day of school through the NCLEX-RN. The second edition is updated to mirror the new NCLEX-RN test plan and includes critical new information about medications, lab values, assessments, cultural considerations, and emerging disorders and viruses. It includes a completely new section on hematological disorders, two new chapters on Emergency Nursing and anxiety-reducing Test-Taking Strategies, and psychiatric content that corresponds to the DSM-V. The guide closely follows the standard nursing curriculum and is designed as a reference for every core nursing course. To maximize successful exam preparation, the text highlights important material most likely to appear on the NCLEX-RN with a "TQ" (test question). Chapters are organized in a clear, consistent format with information presented in friendly conversational style—much like notes that students are likely to take. For every disease presented there is a definition, triggers, symptoms, and nursing care. Nursing students no longer need to be burdened with the substantial cost of purchasing individual study guides for each topic, since all of the information they need is contained in this compact, pithy, affordable resource. New to the Second Edition: All content is updated to reflect new NCLEX-RN test plan Completely new section on hematological disorders New chapter on Emergency Nursing New chapter on anxiety-reducing Test-Taking Strategies New and Updated information on drugs, lab values, emergent diseases and conditions New information on cultural diversity New psychiatric content that reflects the DSM-V

Old Testament Study Guide, Pt. 2: Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.
