The *Teammates* is the profoundly moving story of four great baseball players who have made the passage from sports icons—when they were young and seemingly indestructible—to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men—Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams—who remained close for more than sixty years.

TeamMates provides support and encouragement to students through one-to-one, school-based mentoring. Our goal is for mentees to develop safe, positive relationships with their mentors and for those matches to last through high school graduation. The impact of a TeamMates mentor in the life of a young person is remarkable, with mentees being more hopeful and engaged and seeing improvements in their attendance, behavior, and course performance.

TeamMates for Mentors | TeamMates Mentoring

"Teammates For Life" is an uplifting book about lasting friendships and what we are willing to do for those we love. The story centers on a college basketball team that overcomes adversity to make it to the Final Four.

Authors. Alasdair Steele. TEAMMATES 1 is the first book of the TEAMMATES series. Pupils acquire a basic (Beginner's) knowledge of the English language with the help of Anna, Diego, Lucy, Masako and Omar, who have never met each other but manage to form an excellent relationship online, and become 'teammates'.

Teammates 1 Coursebook | Hillside Press ELT

Teammates book by Peter Golenbock. Sports & Outdoors Books > Baseball & Softball Books.

Golenbock describes the racial prejudice experienced by Jackie Robinson when he joined the Brooklyn Dodgers and became the first black player in Major League baseball and depicts the acceptance and support he received from his white teammate Pee Wee Reese.

More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his ground-breaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. The *Teammates* is the profoundly moving story of four great baseball players who have made the passage from sports icons--when they were young and seemingly indestructible--to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men--Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams--who remained close for more than sixty years. The book starts out in early October 2001, when Dominic DiMaggio and Johnny Pesky begin a 1,300-mile trip by car to visit their beloved friend Ted Williams, whom they know is dying. Bobby Doerr, the fourth member of this close group--"my guys," Williams used to call them--is unable to join them. This is a book--filled with historical details and first-hand accounts--about baseball and about something more: the richness of friendship.

Tiki Can't Believe It when the ball is knocked out of his hand in the Cave Spring Viking's last preseason game against their rival Knights. And when nobody wants to talk to him the next day at lunch, he feels even worse. So Ronde and Paco start "secret" practices with Tiki, and

Coach shows him a special four point ball carry. And after plenty of practice, Tiki is transformed from a runner to a ball carrier, and he feels more confident than ever before. Now he's a winner—and so is his team!

NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Packed with "compelling inside stories" (Chicago Tribune), *Teammate* is the inspiring memoir from "Grandpa Rossy," the veteran catcher who became the heart and soul of the 2016 Chicago Cubs championship team. In 2016 the Cubs snapped a 108-year curse, winning the World Series in a history-making, seven-game series against the Cleveland Indians. Of the many storylines to Chicago's fairytale season, one stood out: the late-career renaissance of David Ross, the 39-year-old catcher who had played back-up for 13 of his 15 pro seasons. Beyond Ross's remarkably strong play, he became the ultimate positive force in the Cubs locker room, mentoring and motivating his fellow players, some of them nearly twenty years his junior. Thanks to Cubs Kris Bryant and Anthony Rizzo, "Grandpa Rossy" became a social media sensation. No one, however, could have predicted that Ross's home run in his final career at bat would help seal the Cubs championship. Now, in *Teammate*, Ross shares the inspiring story of his life in baseball, framed by the events of that unforgettable November night.

By turns inspiring, candid, and exhilarating, "Walk-On" traces Alan's journey from his early teens, where he dreamed of landing a spot at Wake Forest, to his final semester on that historic North Carolina campus. Along the way, he brings to life the riveting experience of playing for an ACC championship team in one of the country's most celebrated conferences, and under renowned coaches Skip Prosser and Dave Odom.

Great teammates don't just impact you today; they impact you for the rest of your life. From the moment Jon Gordon heard about George Boiardi and the Hard Hat he was intrigued and captivated. Over the years he visited George's coaches, attended several "21 Dinners" held in his honor, met his family, talked to his teammates and observed how he inspired all who knew him. The Hard Hat is an unforgettable true story about a selfless, loyal, joyful, hard-working, competitive, and passionate leader and teammate, the impact he had on his team and program and the lessons we can learn from him. The book features: A True Story about George Boiardi, his Team and their Legacy. 21 Lessons to be a Great Teammate Insights from George's Teammates and Coaches that Bring the Lessons to Life. 21 Exercises to help you Build a Great Team Infused with practical insights and life changing lessons, The Hard Hat will inspire you to be the best teammate you can be and to build a great team. *100% of author's royalties go to support the Mario St. George Boiardi Foundation

"Teammates For Life" is an uplifting book about lasting friendships and what we are willing to do for those we love. The story centers on a college basketball team that overcomes adversity to make it to the Final Four. One of its star players, Kenny Arnold, is diagnosed with a brain tumor at a young age and as these young men grow into adults, they choose to continue working together to help Arnold battle his health issues. This group of people uses the same dedication, spirit, enthusiasm and selflessness to provide support for Arnold as they did more than three decades ago to become an elite college basketball team. They are truly teammates for life. Fighting an illness like cancer takes courage, determination and strength. It is not something a person should ever have to go through alone. Whether that person has a support system of family, friends or a combination, this group of people could easily be referred to as "teammates." This story may inspire someone to do a little extra for a person in their life who needs some support. Maybe it's simply stopping by to say hello or perhaps it's something that take additional effort or a more significant commitment. The main thing is to let that person

know he or she is not alone.

Winning Teammates are the people that make it possible for any group to succeed... the people who others depend on... the people who others want to work with. Winning Teammates bring more than just technical skills to the table - they have the interpersonal skills that every organization needs to create and maintain a positive and productive culture. Life is a team sport. Winning Teammates are the GLUE that hold teams together... that keep them focused and performing well. These 10 vital lessons will help you to increase your influence... and ultimately will lead to your team enjoying far more success. If you want a winning team, you need to be a Winning Teammate!

What does it mean to “go to work” when you don't actually leave the house? This is the ultimate guide for remote workers who want to stay engaged as team members, maintain robust work relationships, and keep an eye on their long-term career goals. Even before the coronavirus hit, remote work was growing at nearly 30 percent per year, and now it's just a fact of life. There are many millions of people who once worked at a central location every day who now find themselves facing an entirely new way of working. Written by the founders of the Remote Leadership Institute, this book is the most authoritative single resource for helping remote workers get work done effectively, build relationships that are both productive and satisfying, and maintain a career trajectory when they are not in constant close contact with their leader, coworkers, or the organization in general. The Long-Distance Teammate tackles three important issues: navigating the personal and interpersonal, growing the skills to be productive, and communicating effectively—all from a distance. In short, there is a big difference between working at home and being an effective member of a team. This practical guide describes that difference and allows you to be a great remote teammate.

You Are the Team is a book that will easily and dramatically improve the way your team works together by literally changing the heart and mind of every member of your team. It's a book for you, your team and entire organization. Many leaders struggle with getting members of their team to help and assist each other; to be direct, candid and respectful in their communication; to actively participate in meetings-providing ideas and passionately discussing important topics; to trust each other; to stop engaging in negative talk and even gossip; and to take accountability for their job and performance... to name just a few. You Are the Team combats the "Teammate Me Culture," which is when members of the team care more about their own needs than the team's needs. It inspires teammates to: *Serve each other *Put others and the team first *Tell the truth and be transparent *Keep commitments *Be direct and honest in discussions *Take accountability *Learn from mistakes *Seek honest feedback from teammates *Improve personal gratitude *Refrain from negativity and gossip *Compliment teammates more frequently *Celebrate teammates successes *Extend more kindness *Seek to understand teammates first before reacting *Demonstrate greater empathy towards teammates *Get it done and then some *Improve personal focus on goals *Bring solutions, not problems *Invest in personal development *Inspire and lead Would you agree that the above actions improve teamwork? Could your team improve by teammates implementing even just a couple of these concepts? You Are the Team is both engaging and practical. Author Michael Rogers uses a variety of entertaining stories to highlight the concepts in the book. Introspective questions are at the end of each section to help teammates reflect on how they are currently applying each of the important team concepts. The end of the book includes an assessment with 27 questions to gauge the overall effectiveness of teammates. Becoming a successful team begins with teammates who want to provide more value than they receive. You Are the Team was written to help members of teams understand the value they bring. you, for your team, for your entire organization. Michael has over 20 years of experience working with teams in business, sports, and a variety of volunteer organizations. One common theme in his consulting work has been that the best teams are made up of teammates who are committed to and invested in their team and its outcomes. He has found, without exception, that teams consisting of teammates who regularly practice his 6 B's of selflessness, trustworthiness, humbleness, positivity, respectfulness, and greatness achieve extraordinary teamwork. When Michael sat down to write *You Are the Team*, he wanted to write a book that could be easily understood by anyone reading it, a book that was inspiring-even life changing, a book that was engaging and a book that could be quickly applied by every member of the team. Many are finding that he did just that. Are you a leader who wishes you could get your team to work together better? Are you a leader who needs to boost results? Are you a leader who wishes your team cared more about their work and the outcomes of the team? *You Are the Team* is that one book that will change your team and organization long term.
