Explores the changes which took place in British society and culture between 550 and 1087, examining the emergence of feudalism and the growth of Anglo-Saxon church

A History of Settlement in Ireland provides a stimulating and thought-provoking overview of the settlement history of Ireland from prehistory to the present day. Particular attention is paid to the issues of settlement change and distribution within the contexts of: * environment * demography * culture. The collection goes further by setting the agenda for future research in this rapidly expanding area of academic interest. This volume will be essential reading for all those with an interest in the archaeology, history and social geography of Ireland.
